Color the numbers

Connect & color in the numbers:

Tell the story of One

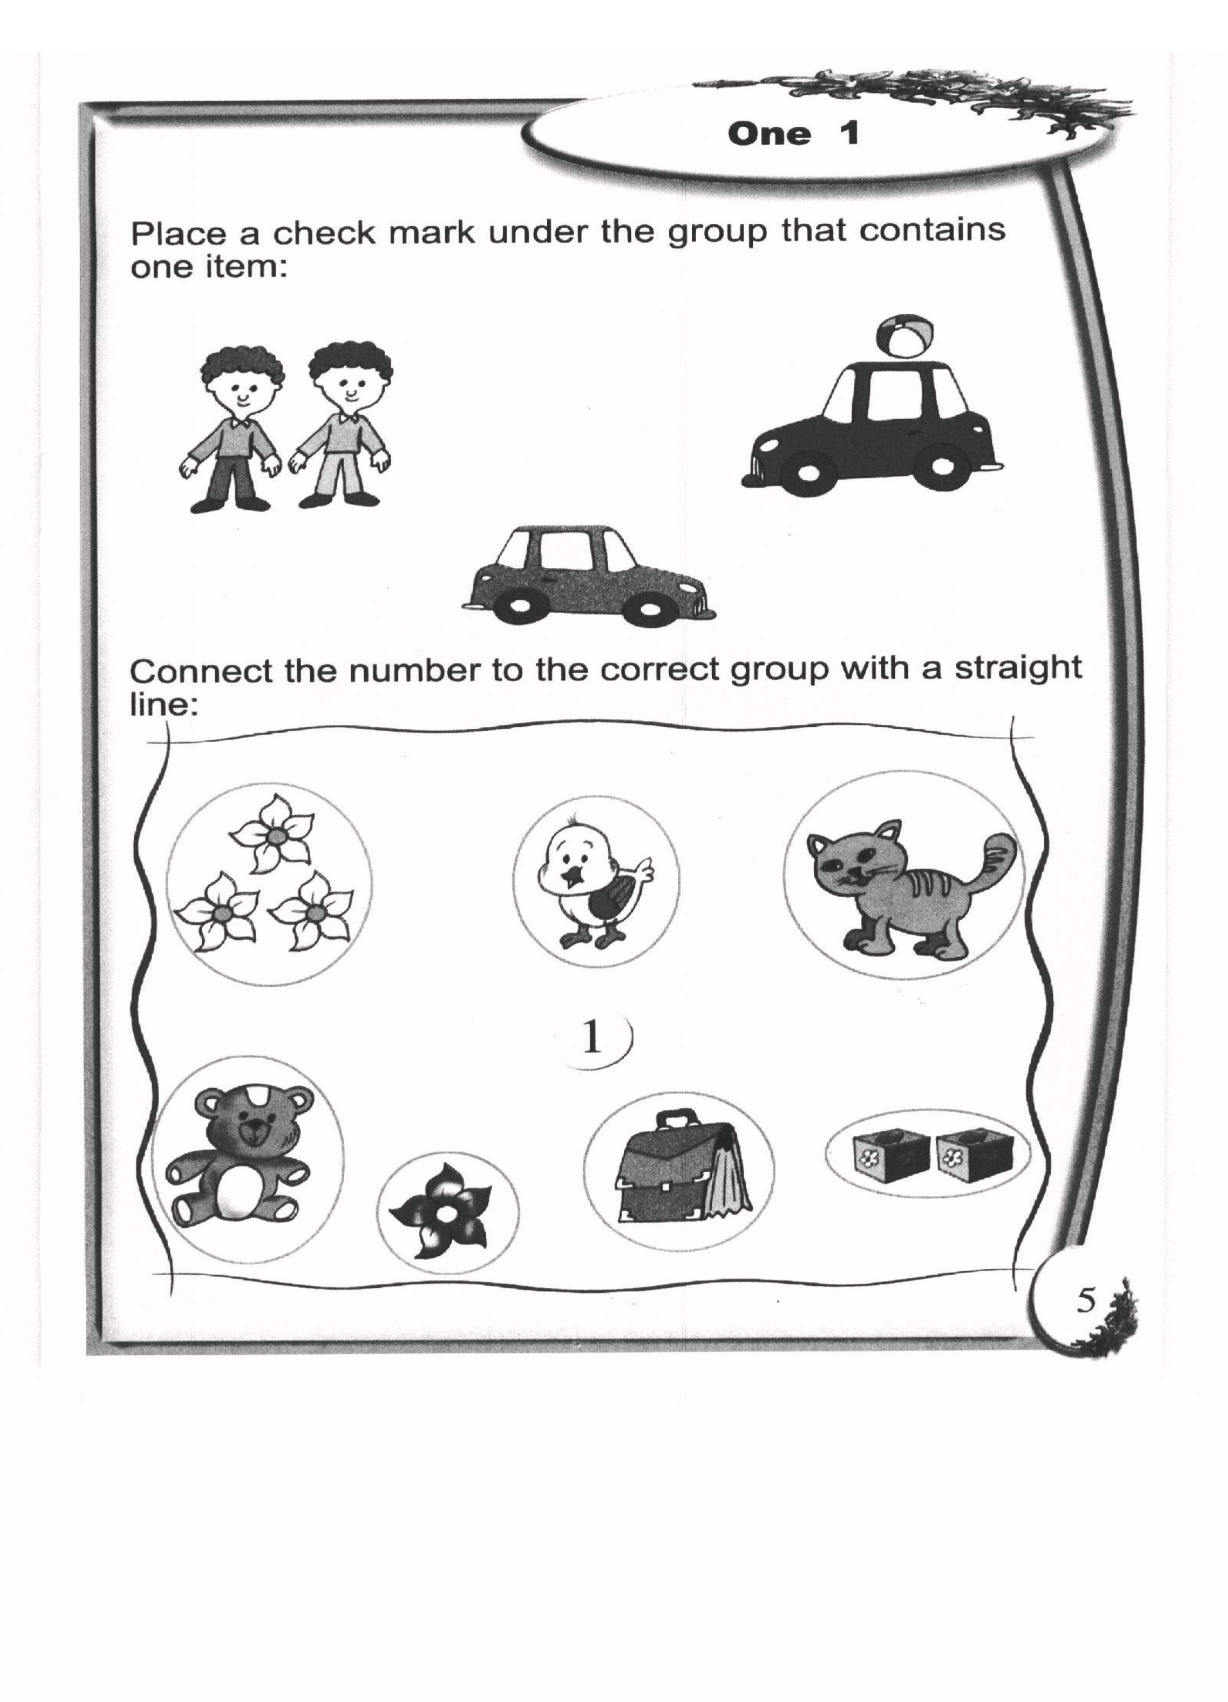

One big chicken saw a One big egg.

She took it to the farm with her friends & chicks to sit on the egg.

All of a sudden, they heard a loud sound, and they were frightened & ran away.

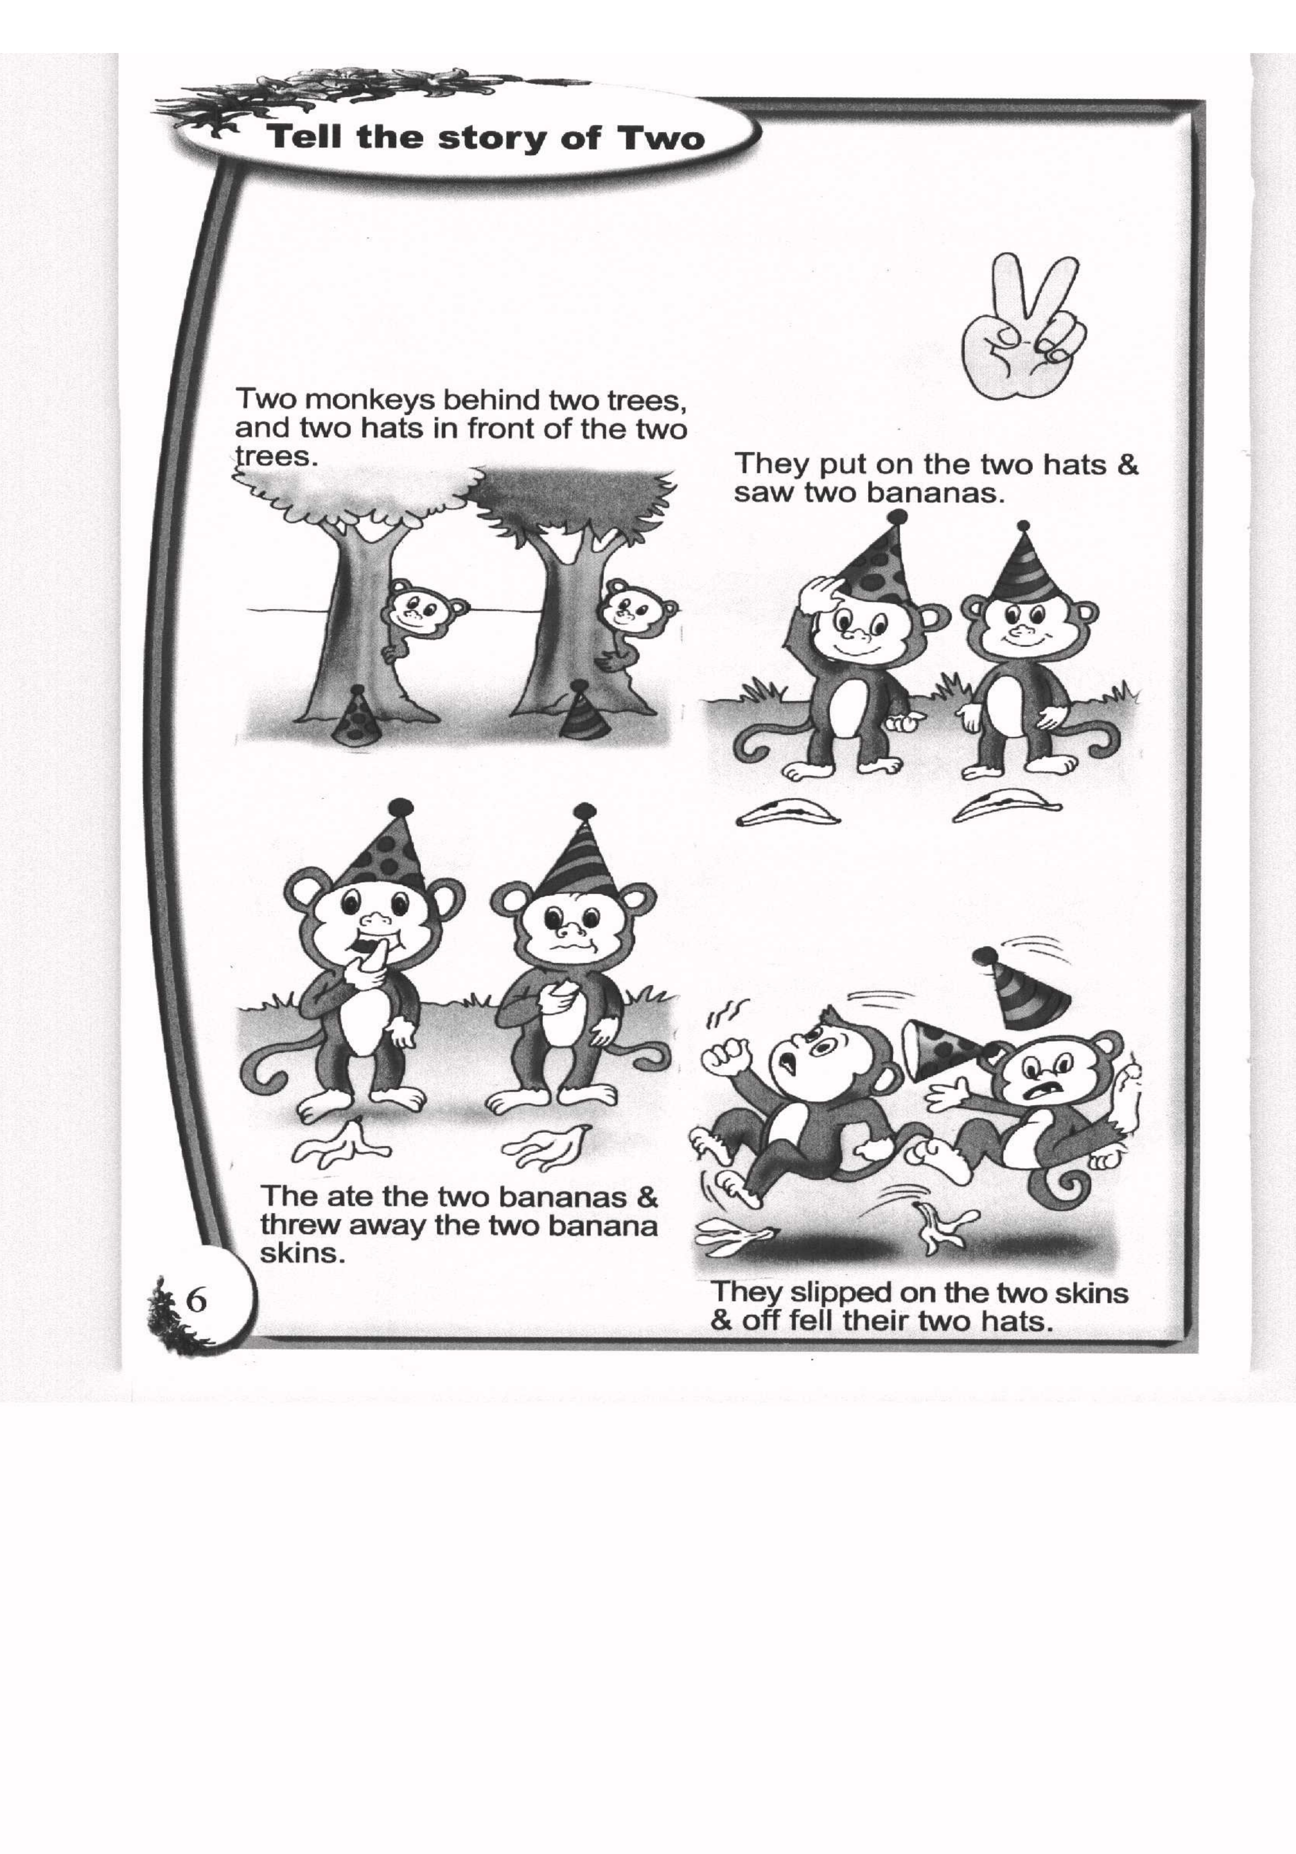

One black duck appeared.

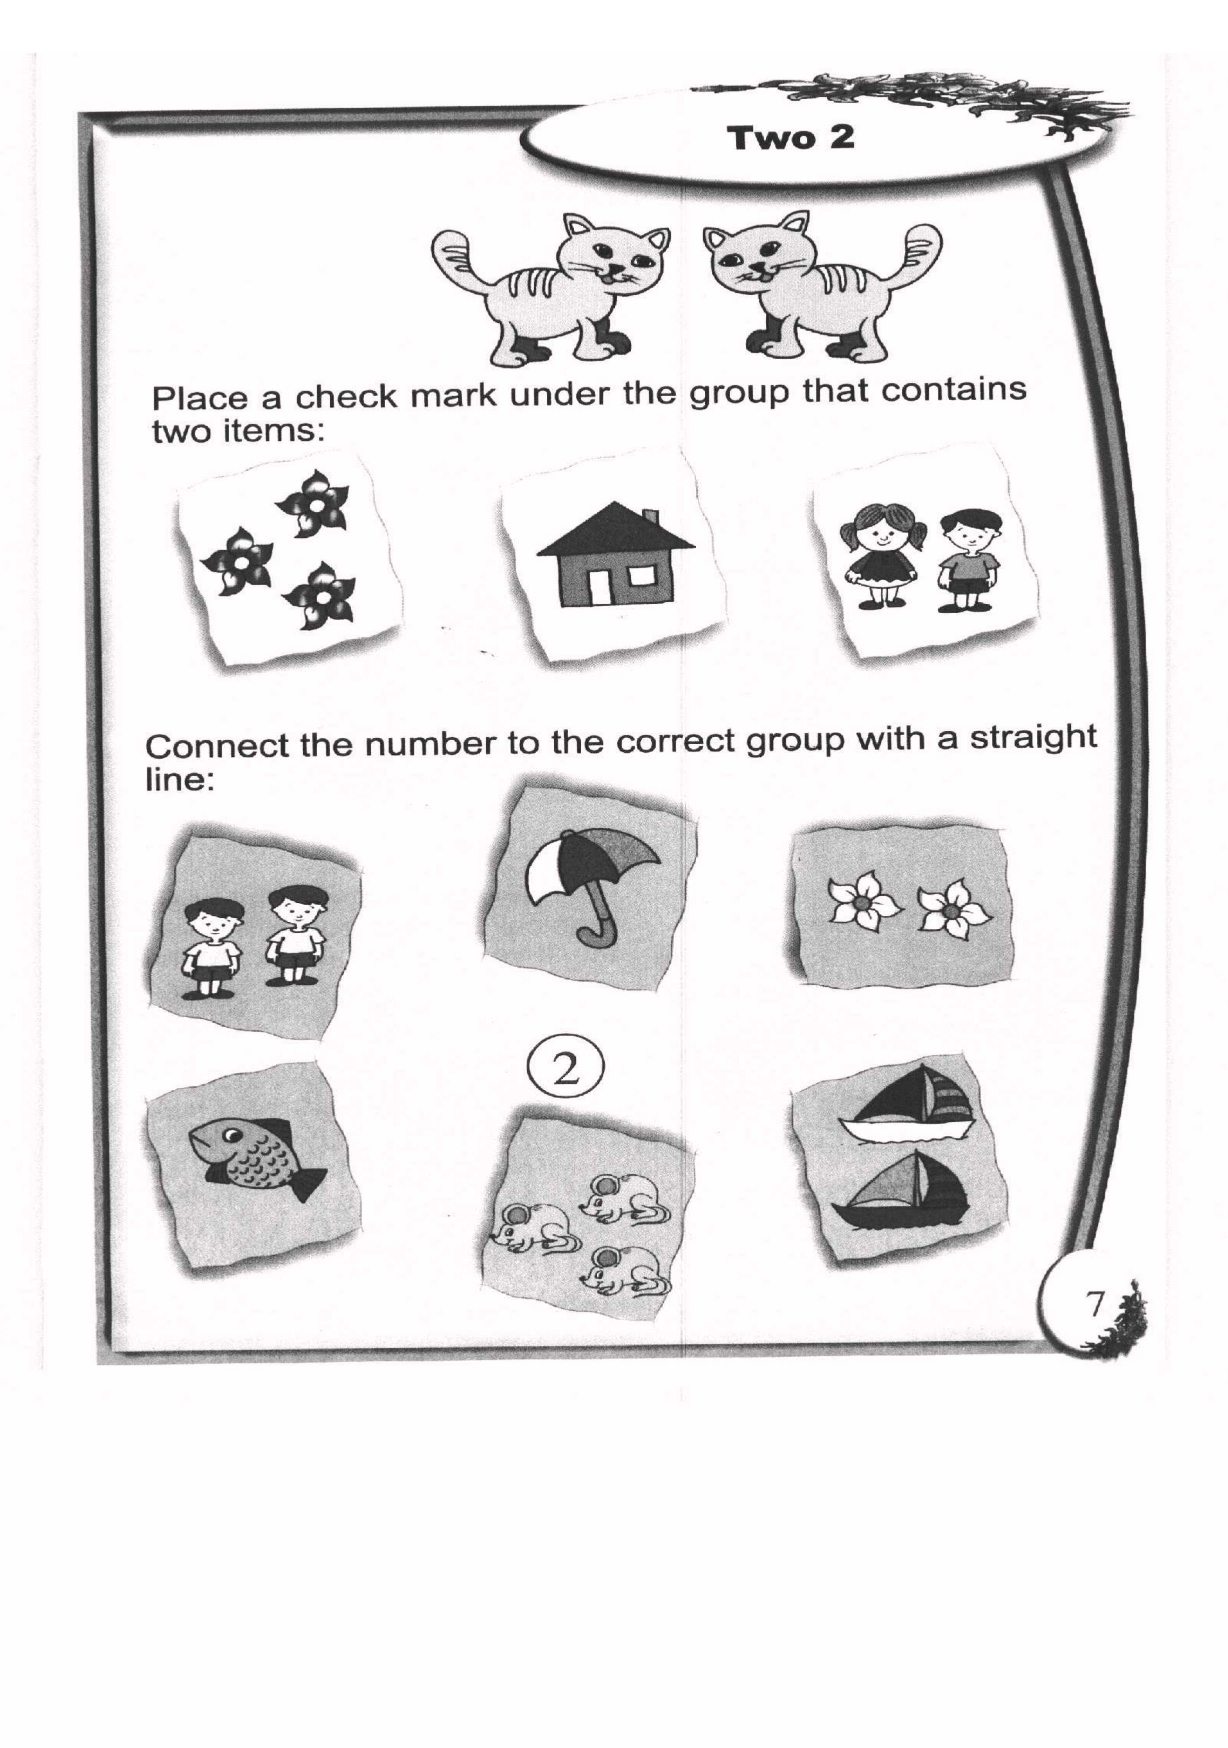

Place a check mark under the group that contains one item:

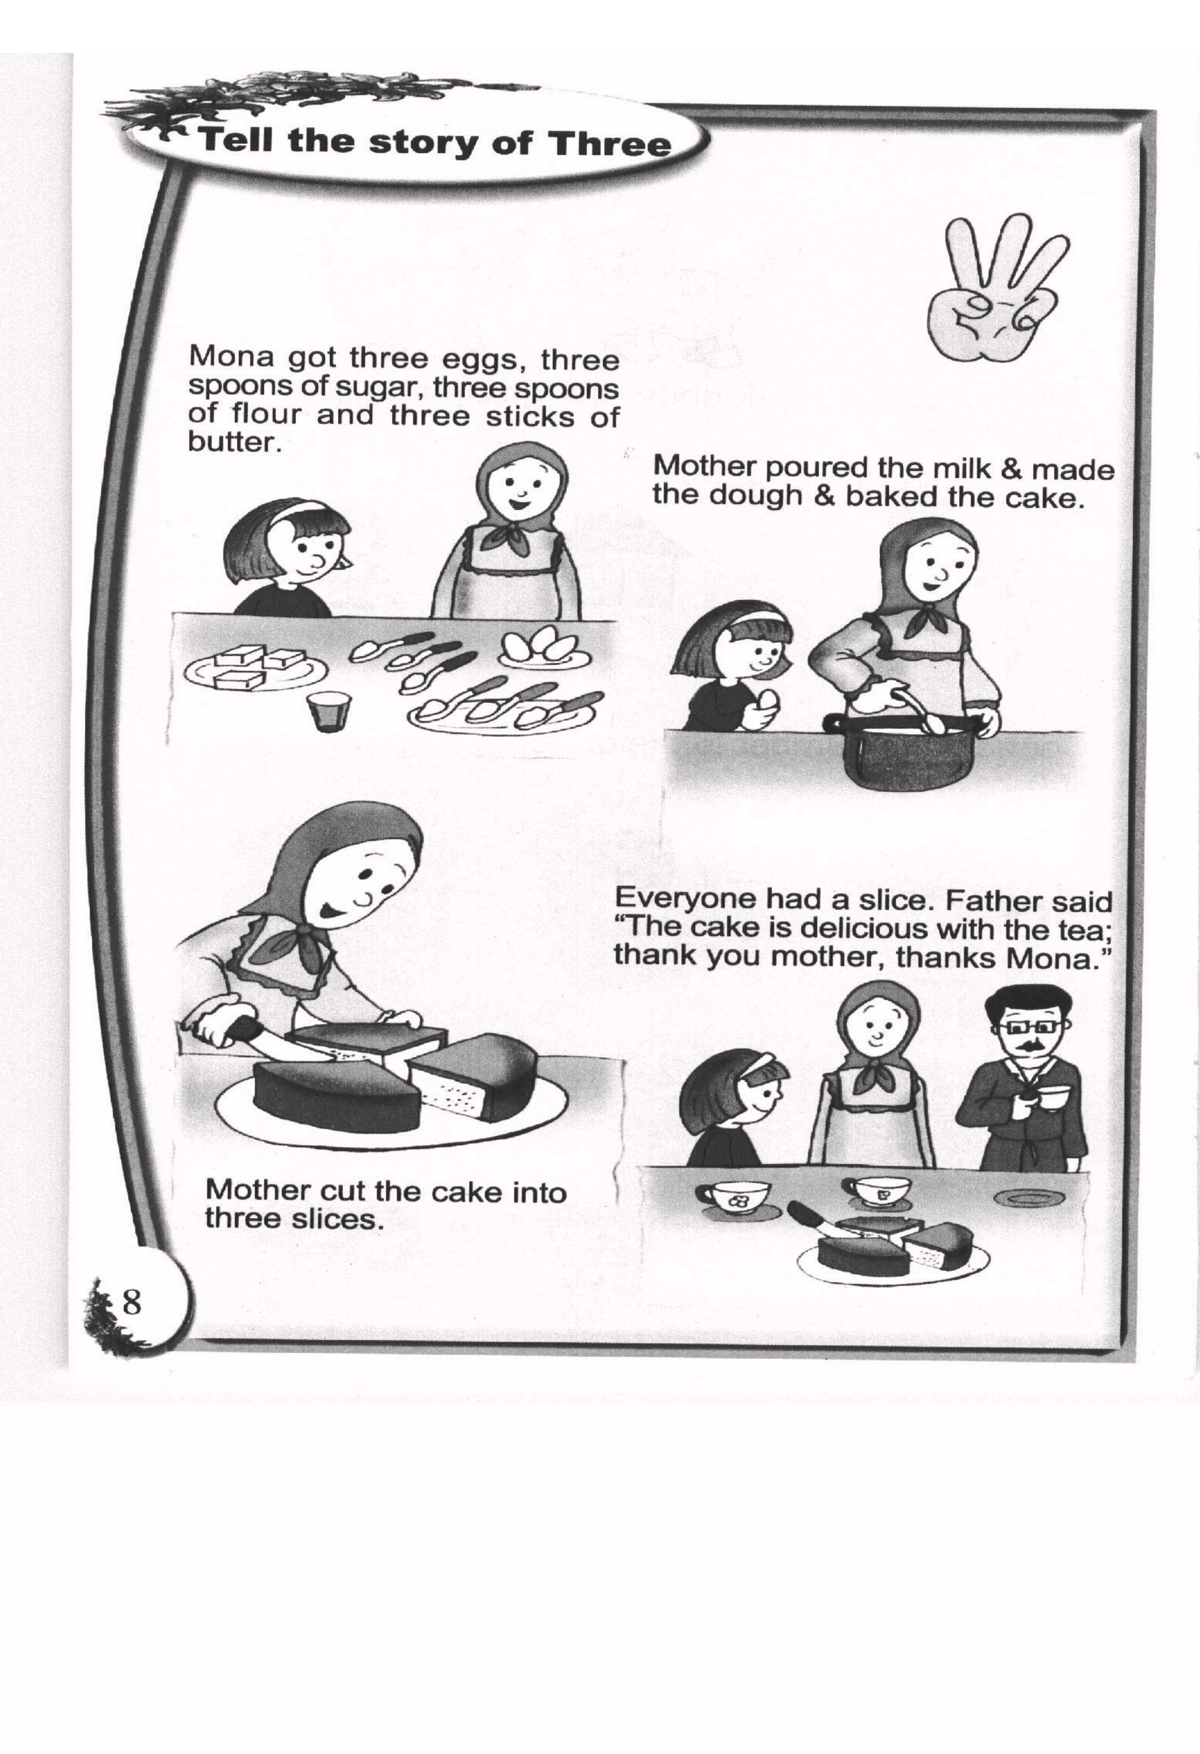

Connect the number to the correct group with a straight line:

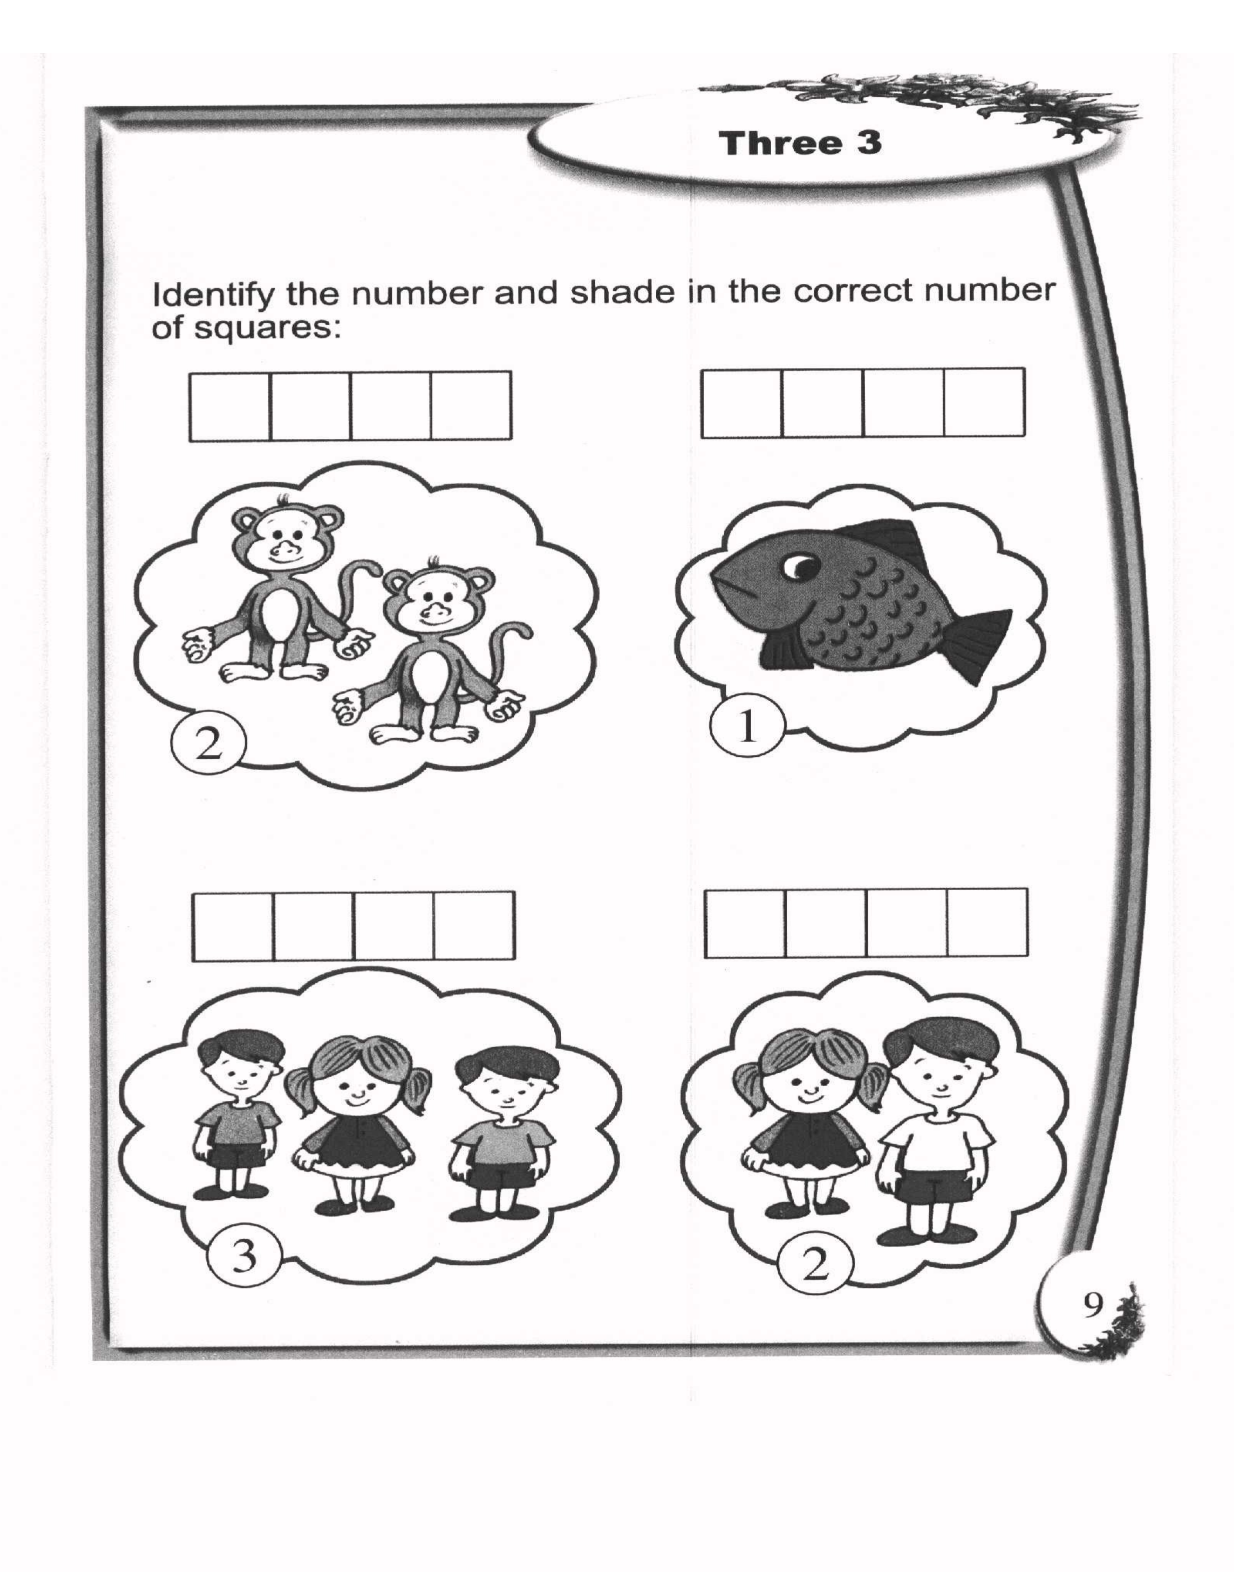

1

Tell the story of Two
Two monkeys behind two trees, and two hats in front of the two trees.
They put on the two hats & saw two bananas.
The ate the two bananas & threw away the two banana skins.
They slipped on the two skins & off fell their two hats.
6

Two 2
Place a check mark under the group that contains two items:
Connect the number to the correct group with a straight line:
2

Tell the story of Three
Mona got three eggs, three spoons of sugar, three spoons of flour and three sticks of butter.
Mother poured the milk & made the dough & baked the cake.
Mother cut the cake into three slices.
Everyone had a slice. Father said "The cake is delicious with the tea; thank you mother, thanks Mona."
8

Identify the number and shade in the correct number of squares:

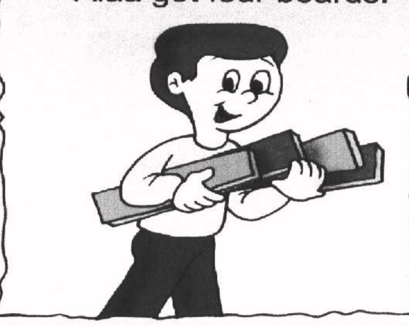

Tell the story of four

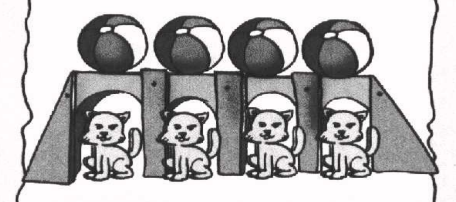

Alaa got four boards.

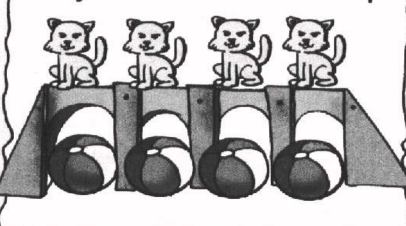

Dina got four nails & a plank of wood.

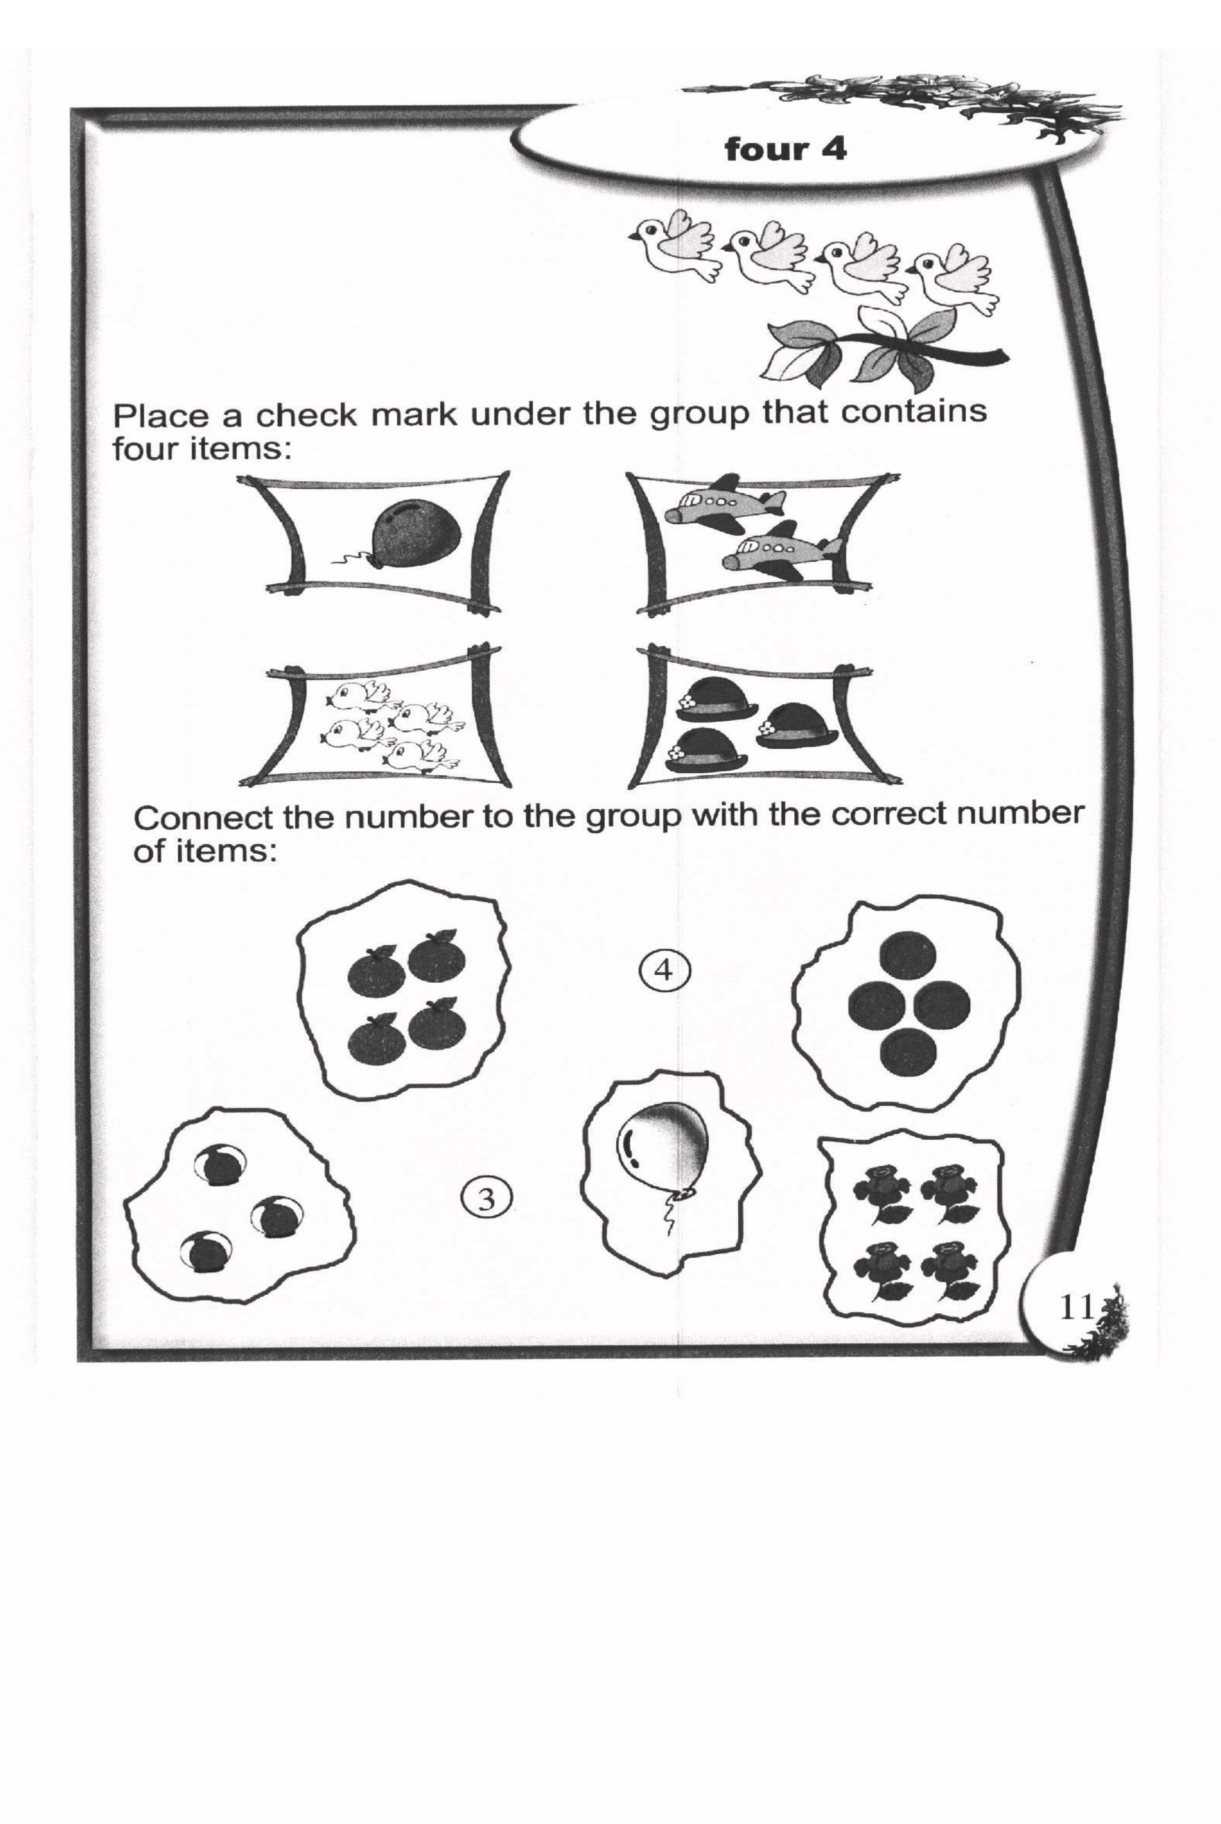

The two chilren made a bridge. They left four balls on top of it, and four cats under it.

The four cats climbed onto the bridge & pushed the balls under the bridge so they could be on top.

four 4
Place a check mark under the group that contains four items:
Connect the number to the group with the correct number of items:
4
3
11

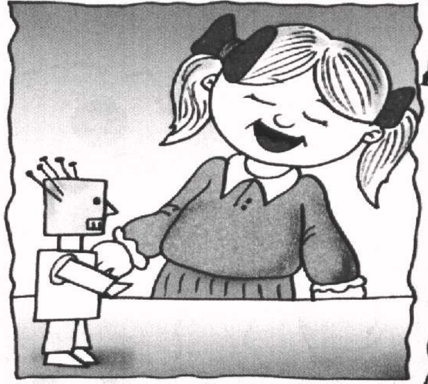

Tell the story of five

On Dina's birthday there were five different decorations & five kinds of fruit. Her cake is also shaped like a five.

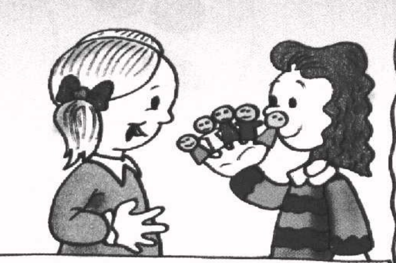

Alaa, her brother, covered her eyes & brought five figures he'd made from cardboard to surprise her.

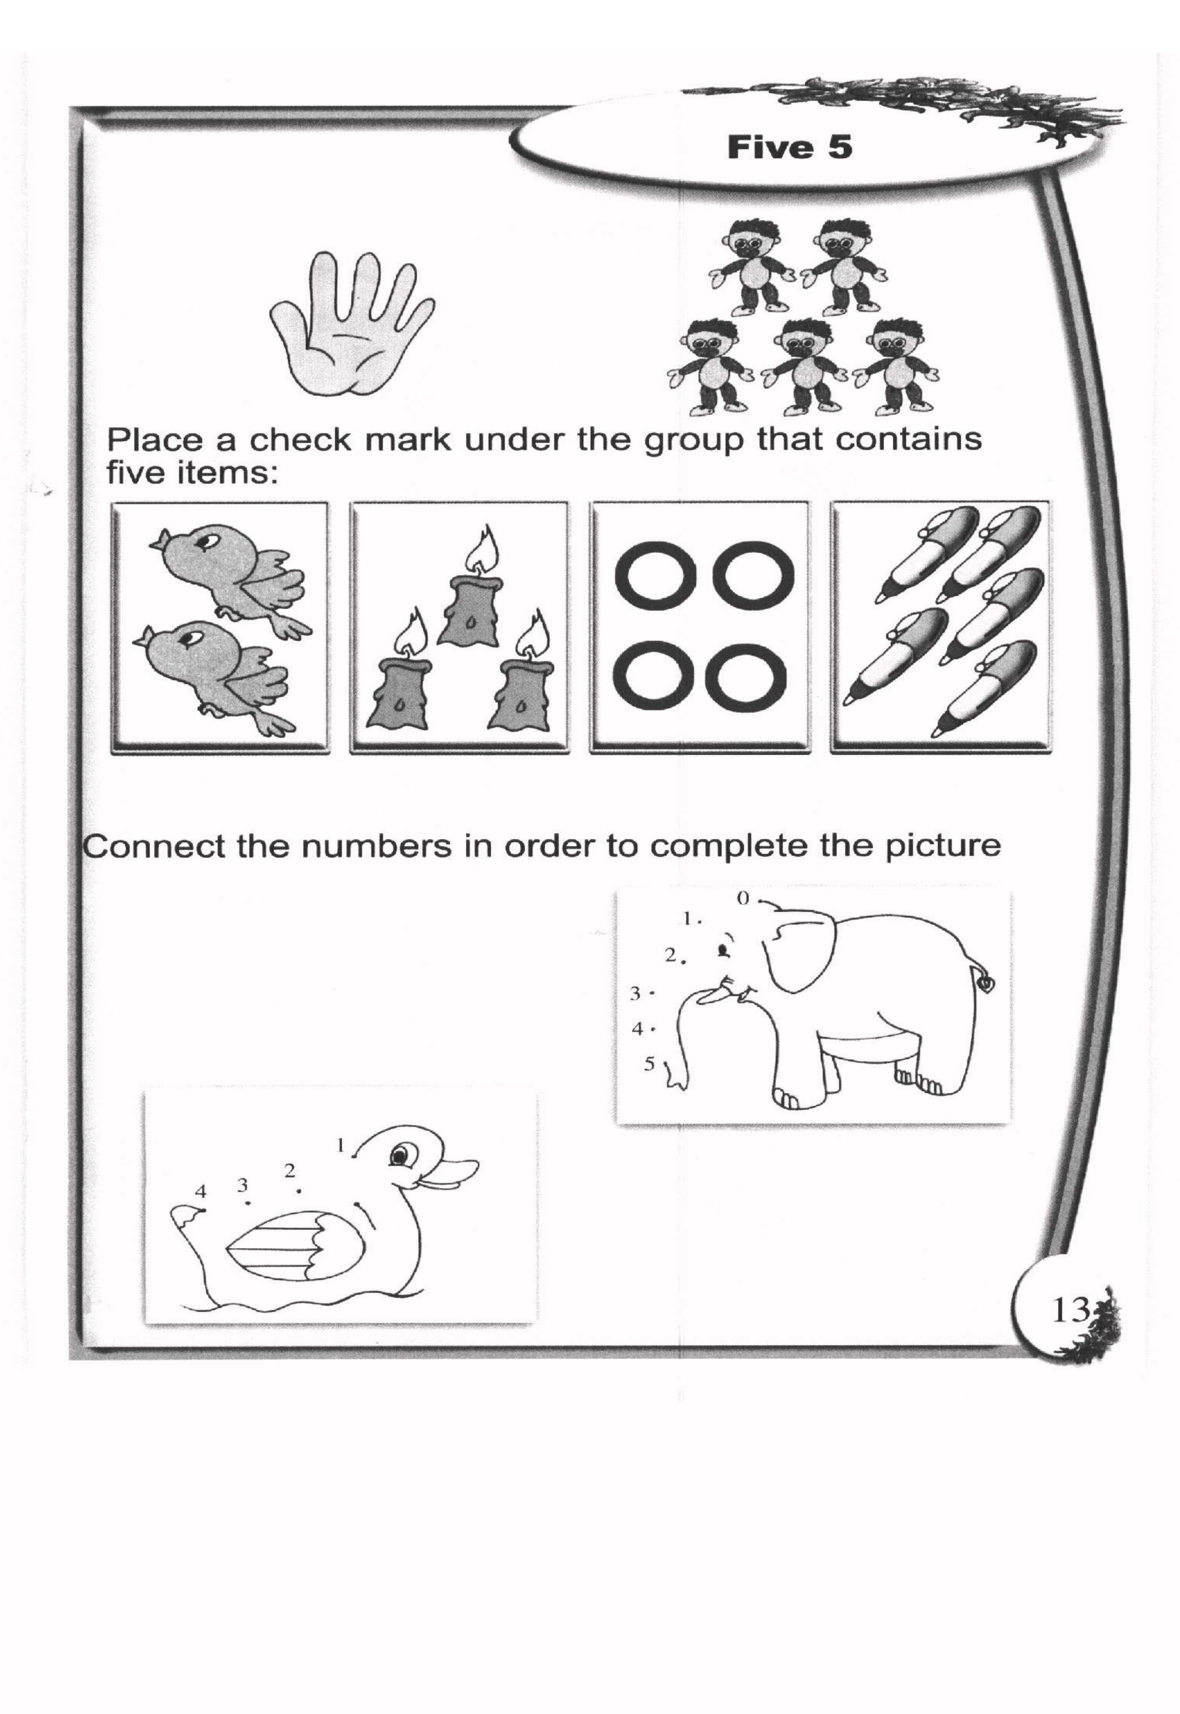

Dina opened her eyes & laughed at the figure of Alaa as a robot with five antennas.

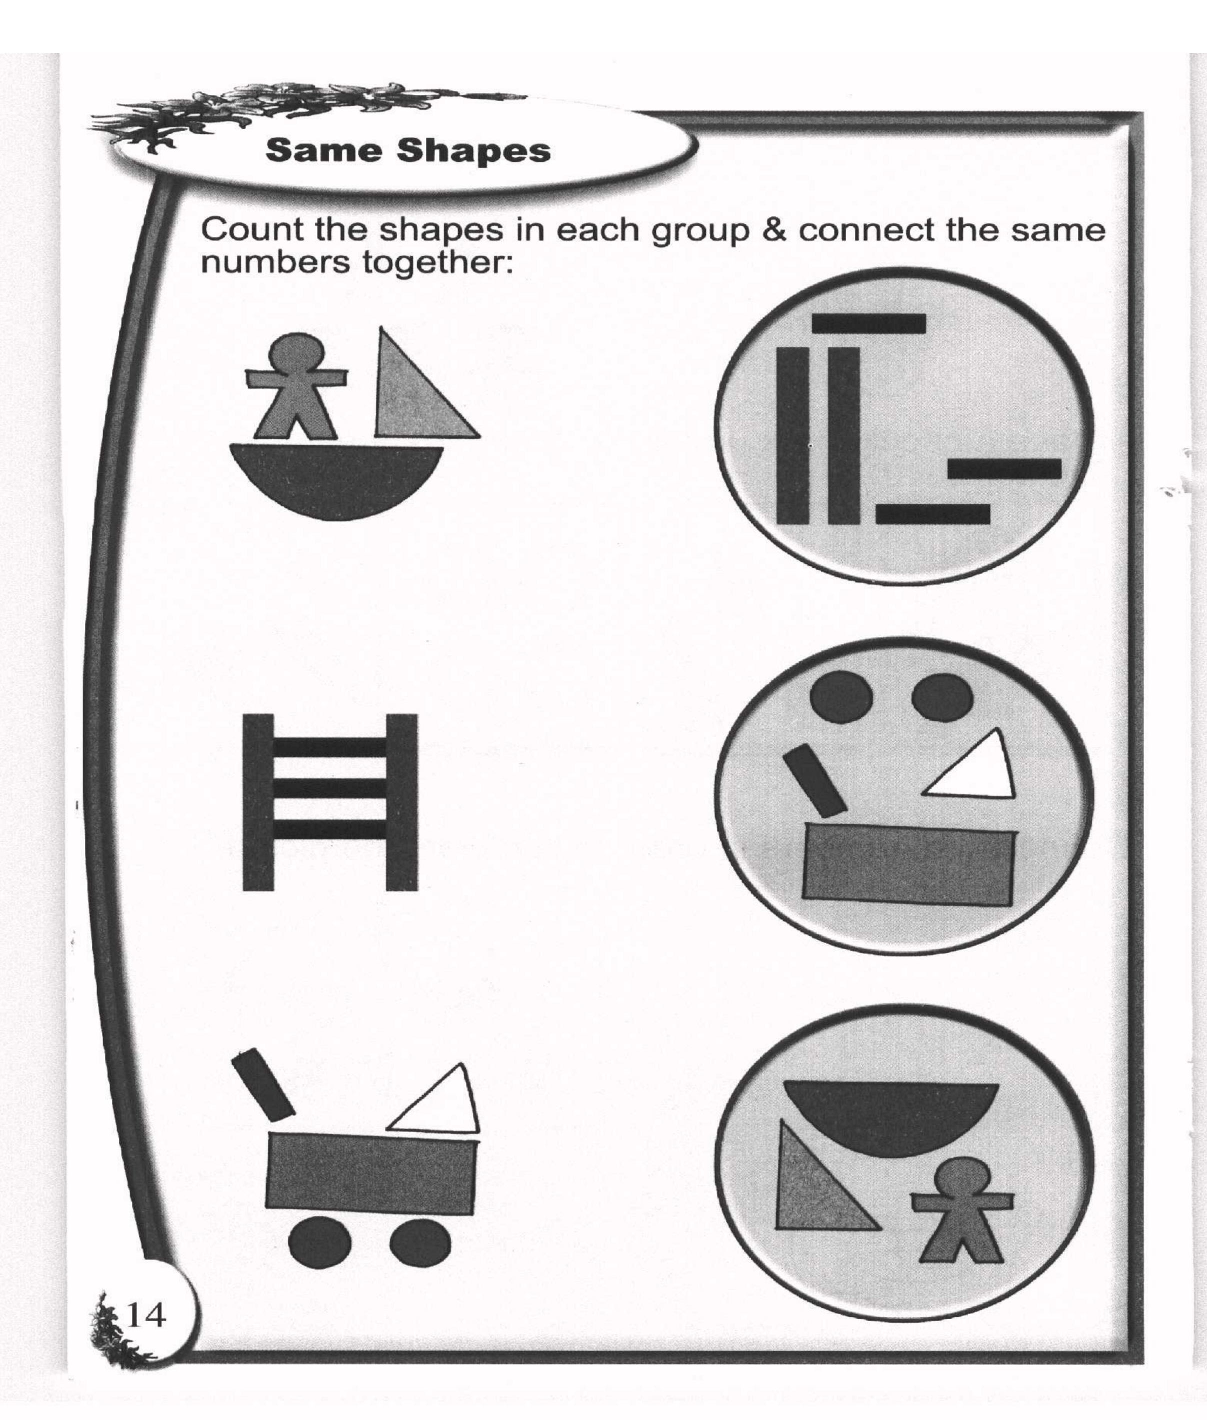

Ghada turned away from them with colored paper, then turned back with a surprise: five paper dolls on her fingers.

Five 5
Place a check mark under the group that contains five items:
Connect the numbers in order to complete the picture

Same Shapes

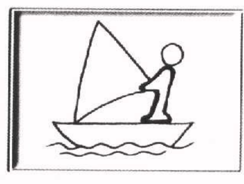

Count the shapes in each group & connect the same numbers together:

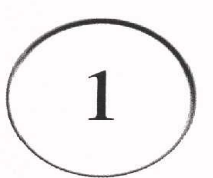

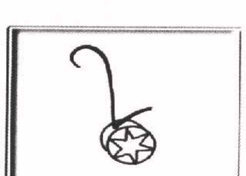

The Hidden Number

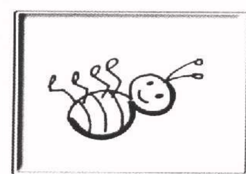

Find the number hidden in the picture and color it in with a different color:

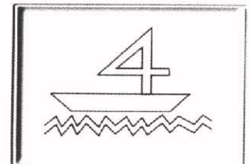

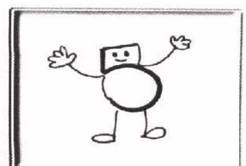

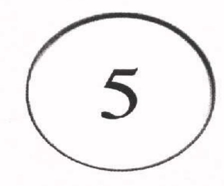

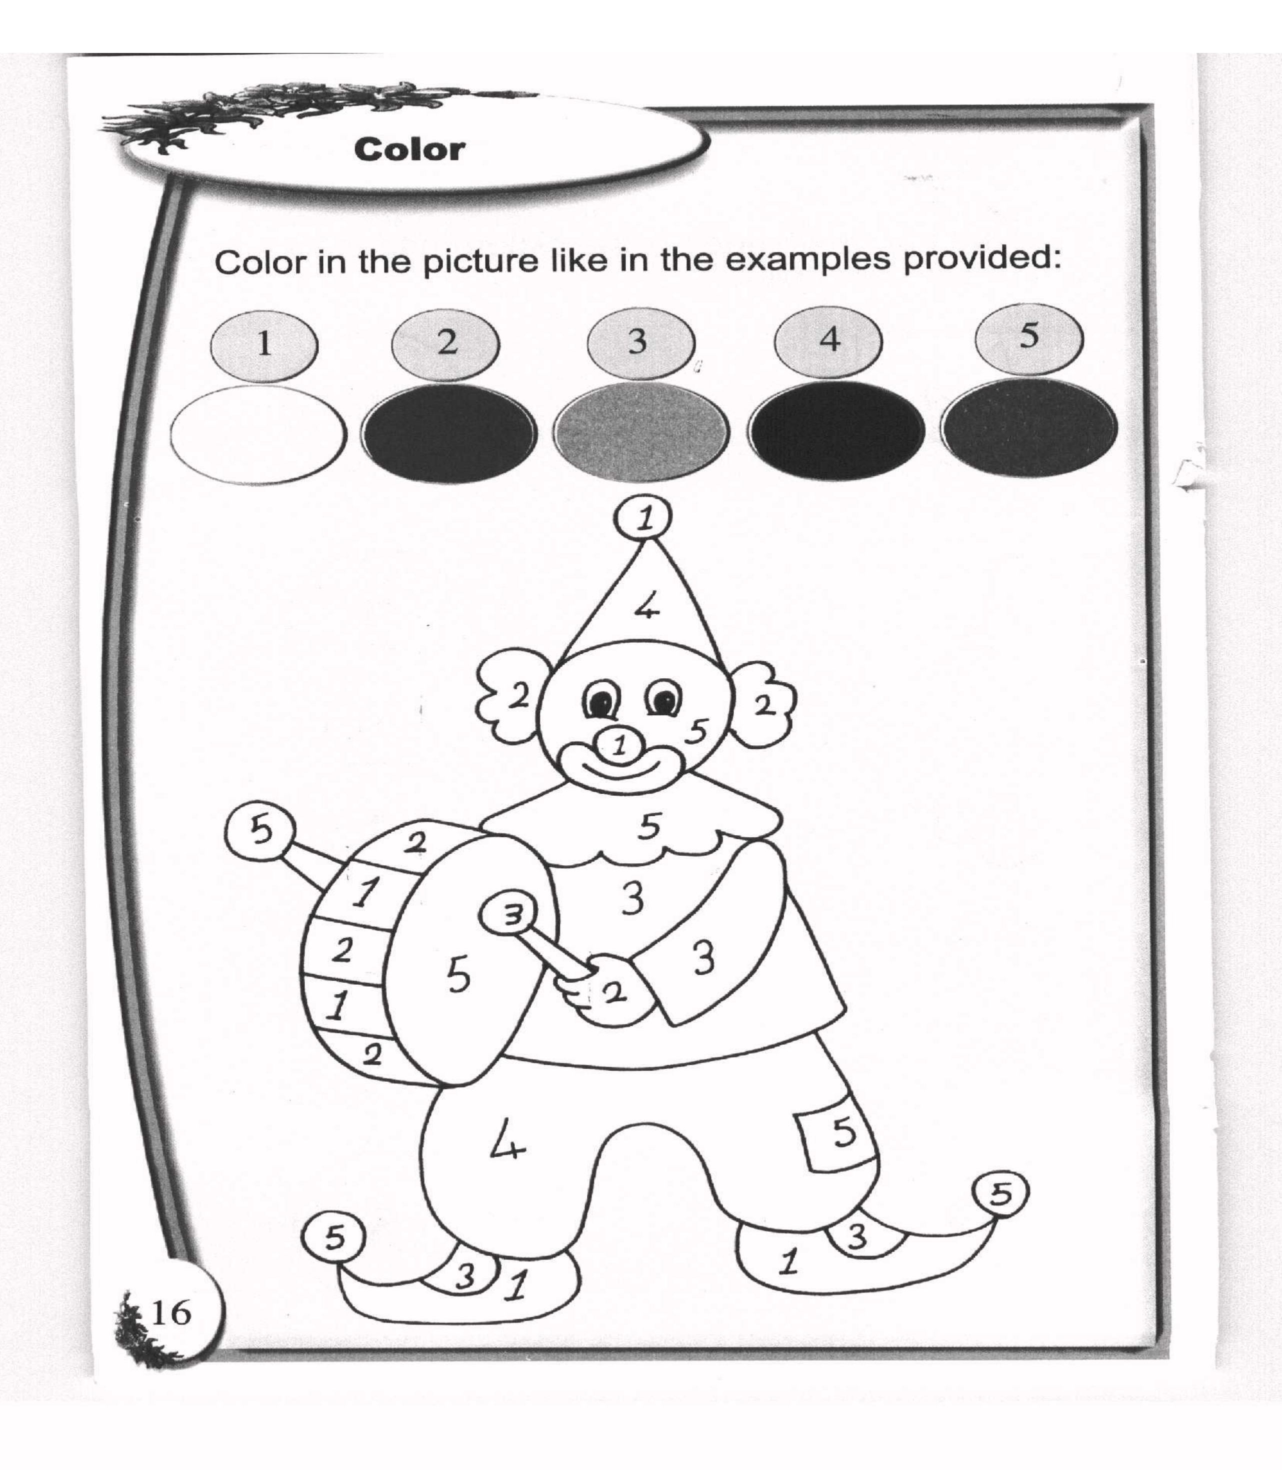

Color
Color in the picture like in the examples provided:
1
2
3
4
5
16

One Two

Red and blue

Up and down

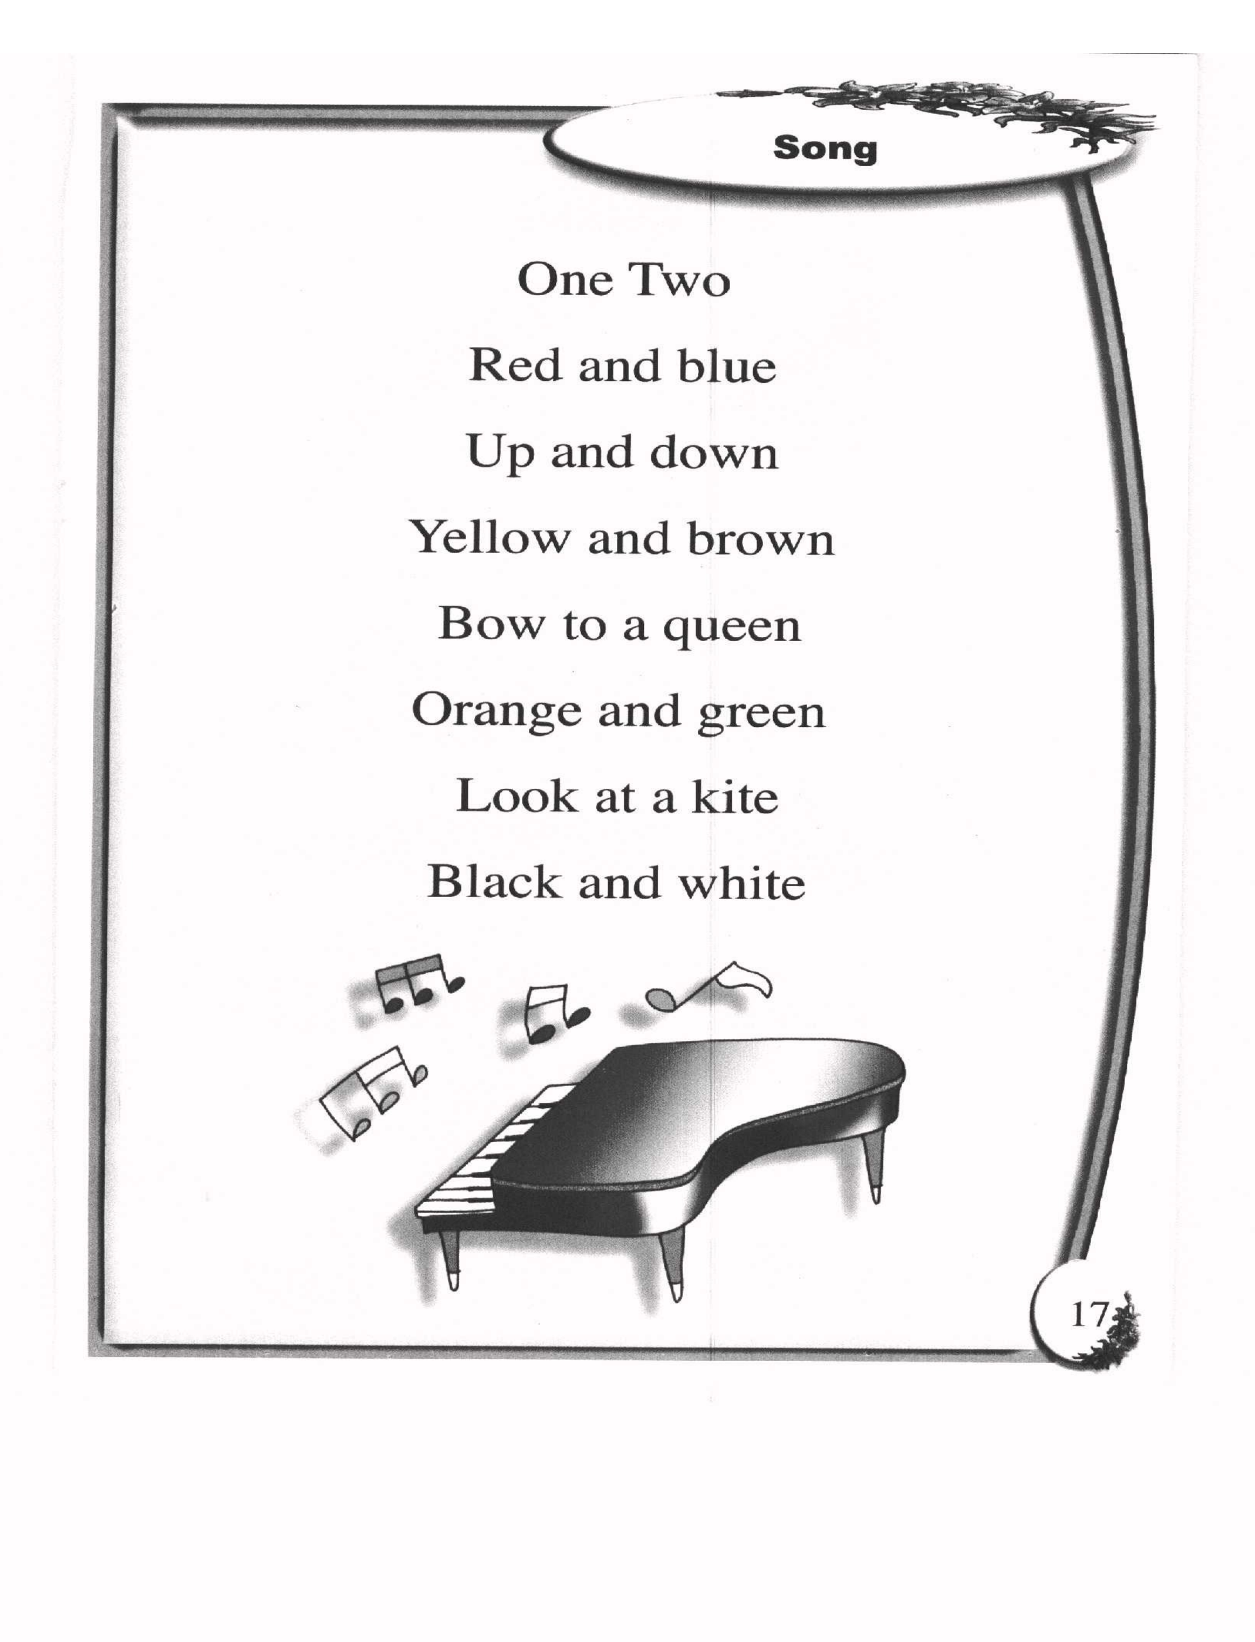

Yellow and brown

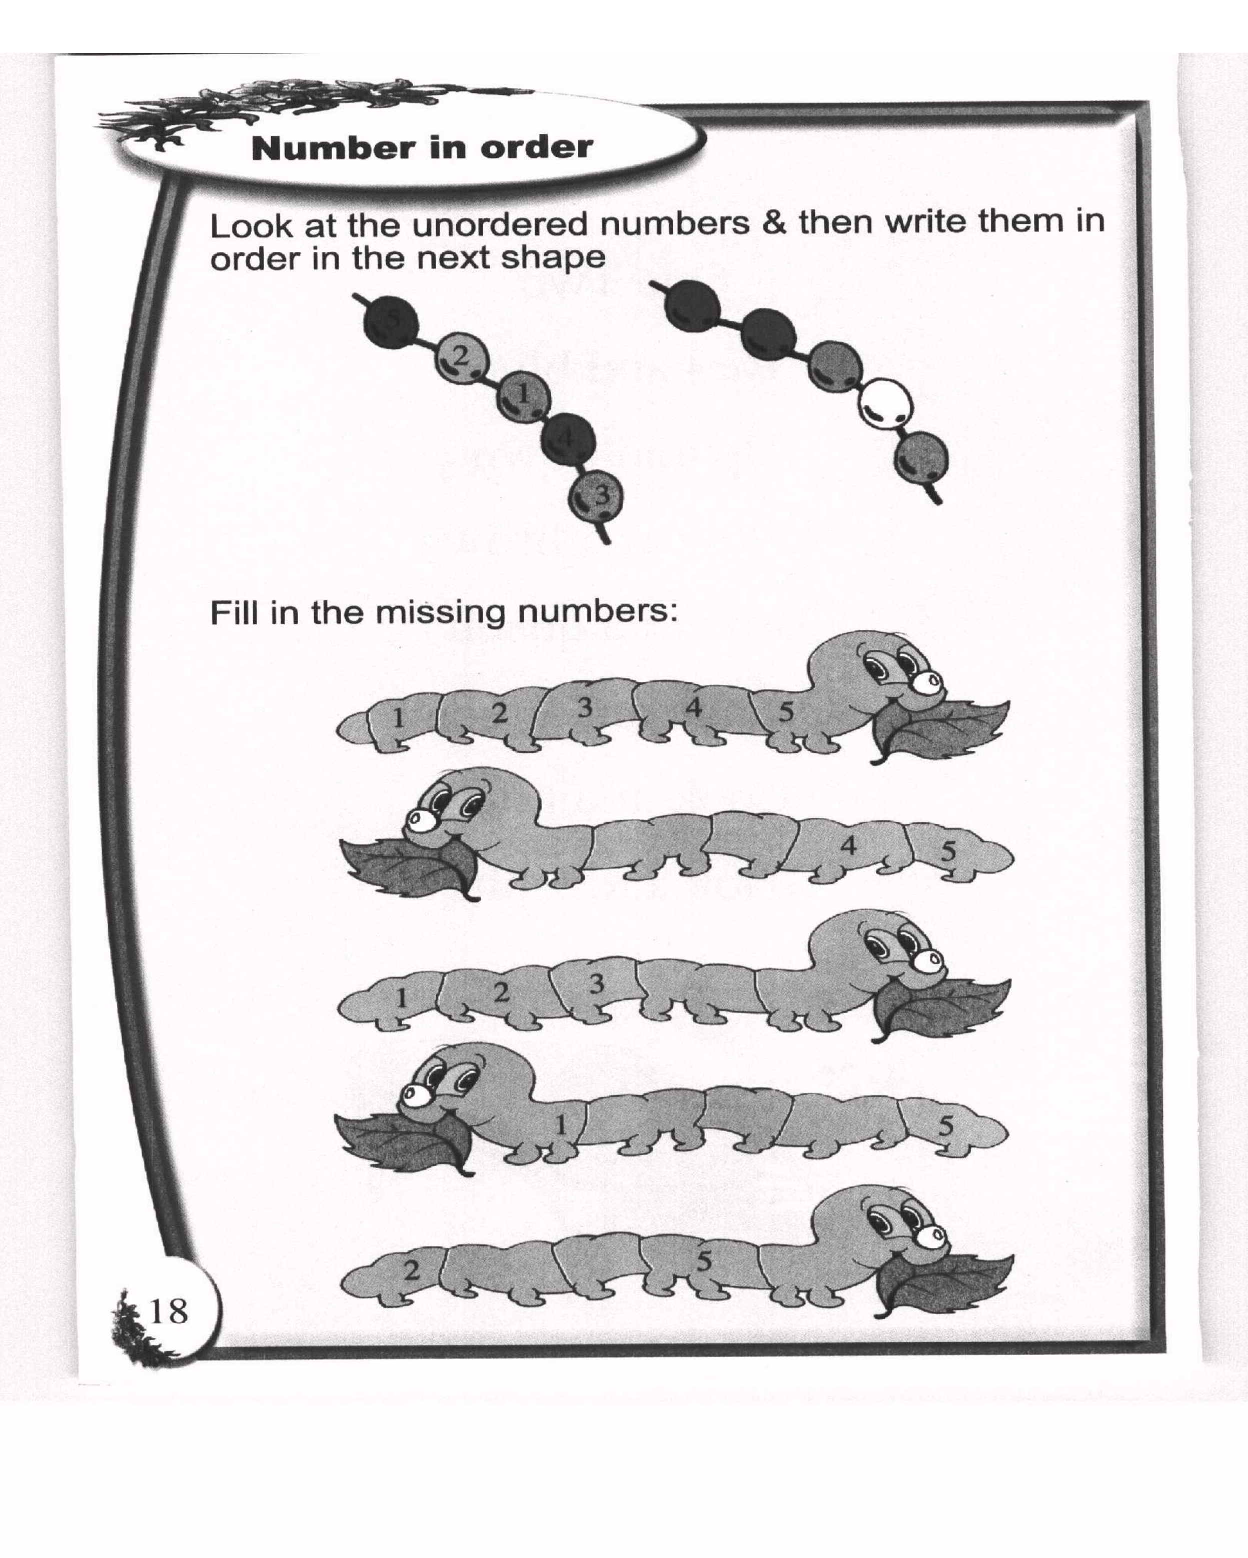

Bow to a queen

Orange and green

Look at a kite

Black and white

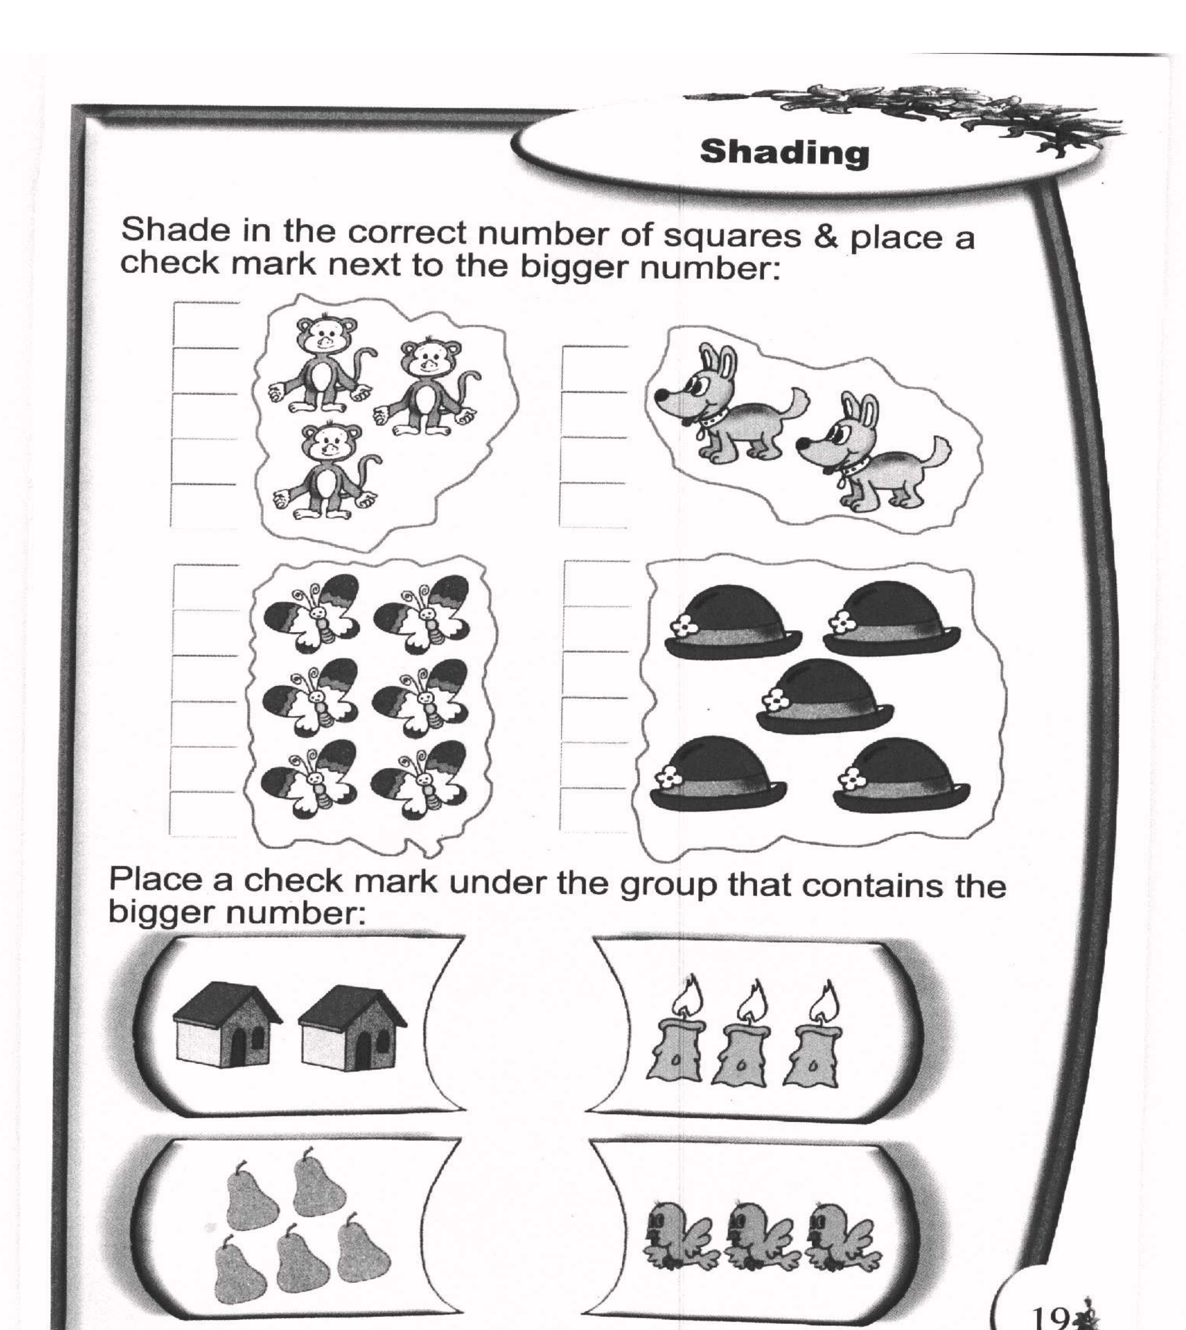

Number in order

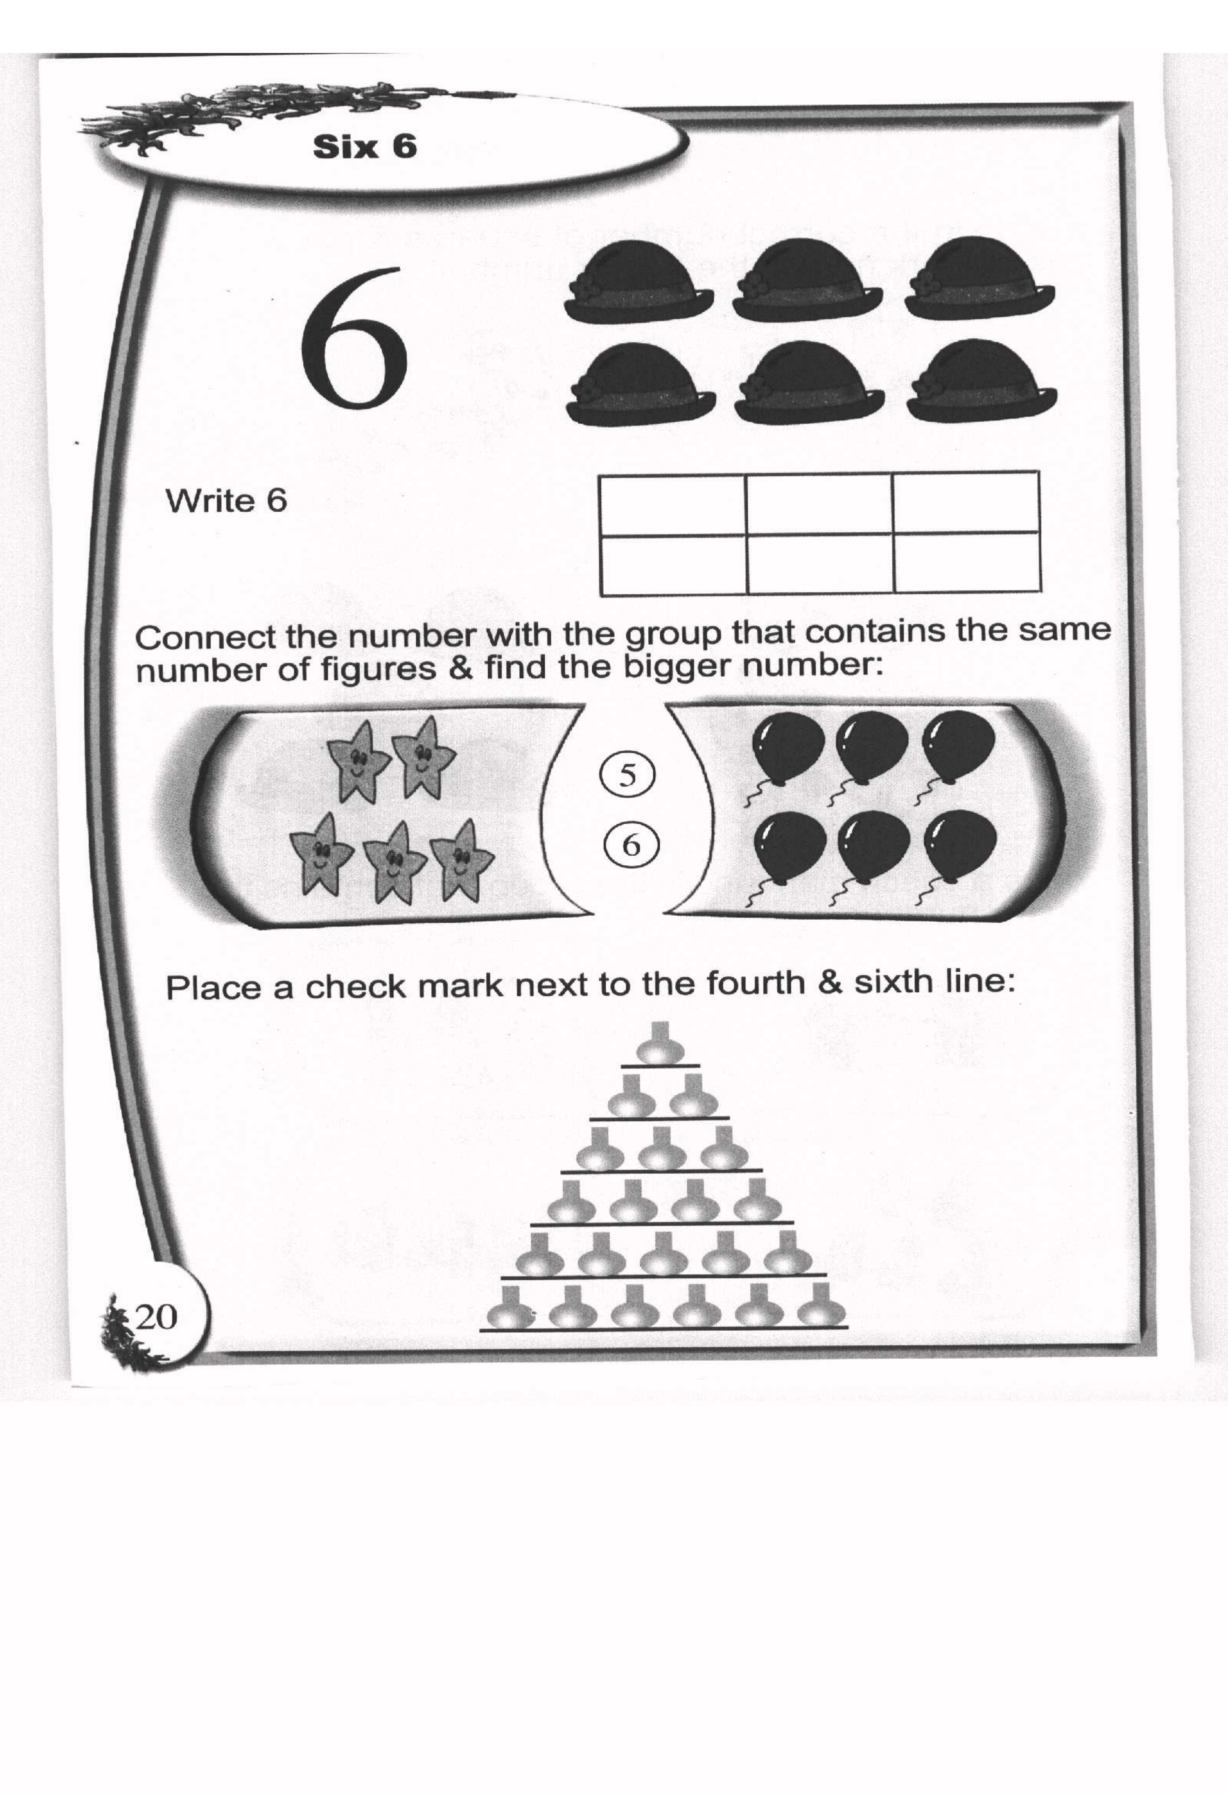

Look at the unordered numbers & then write them in order in the next shape

Fill in the missing numbers:

Shade in the correct number of squares & place a check mark next to the bigger number:

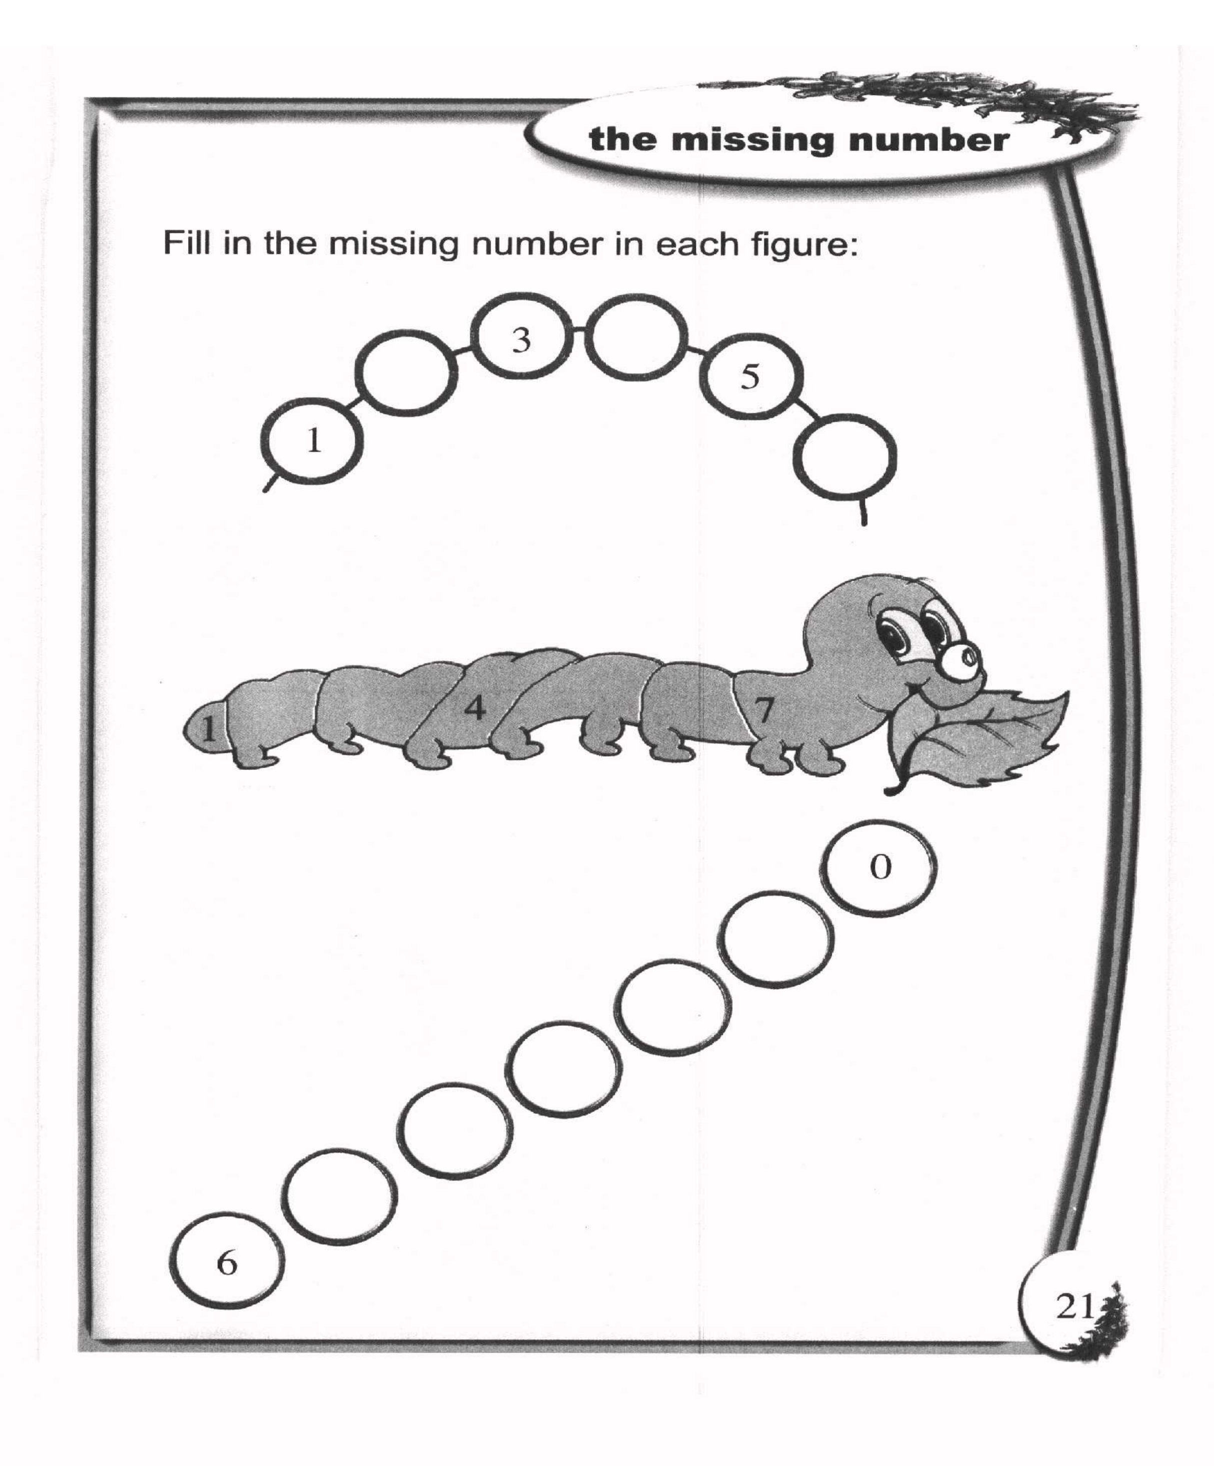

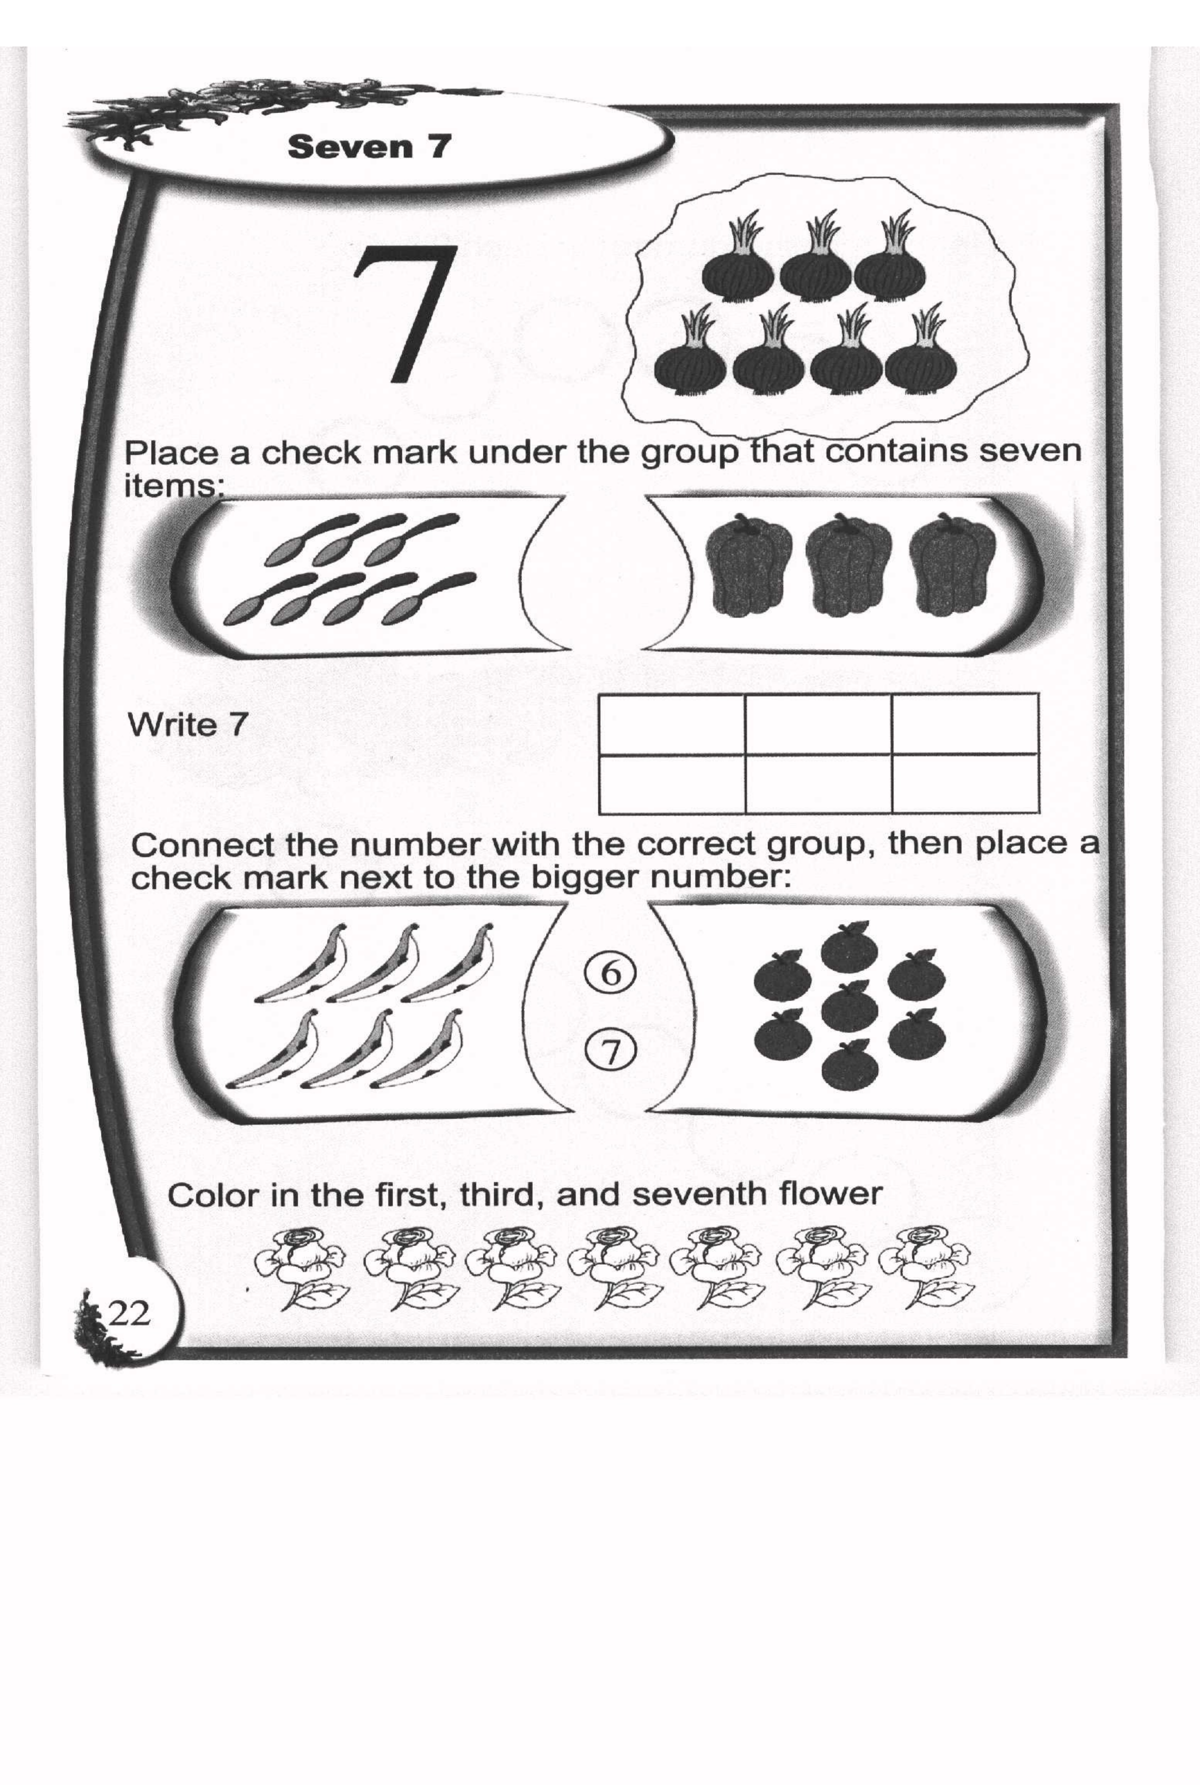

Place a check mark under the group that contains the bigger number:

Six 6
6
Write 6
Connect the number with the group that contains the same number of figures & find the bigger number:
5
6
Place a check mark next to the fourth & sixth line:

the missing number

Fill in the missing number in each figure:

Seven 7

7

Place a check mark under the group that contains seven items:

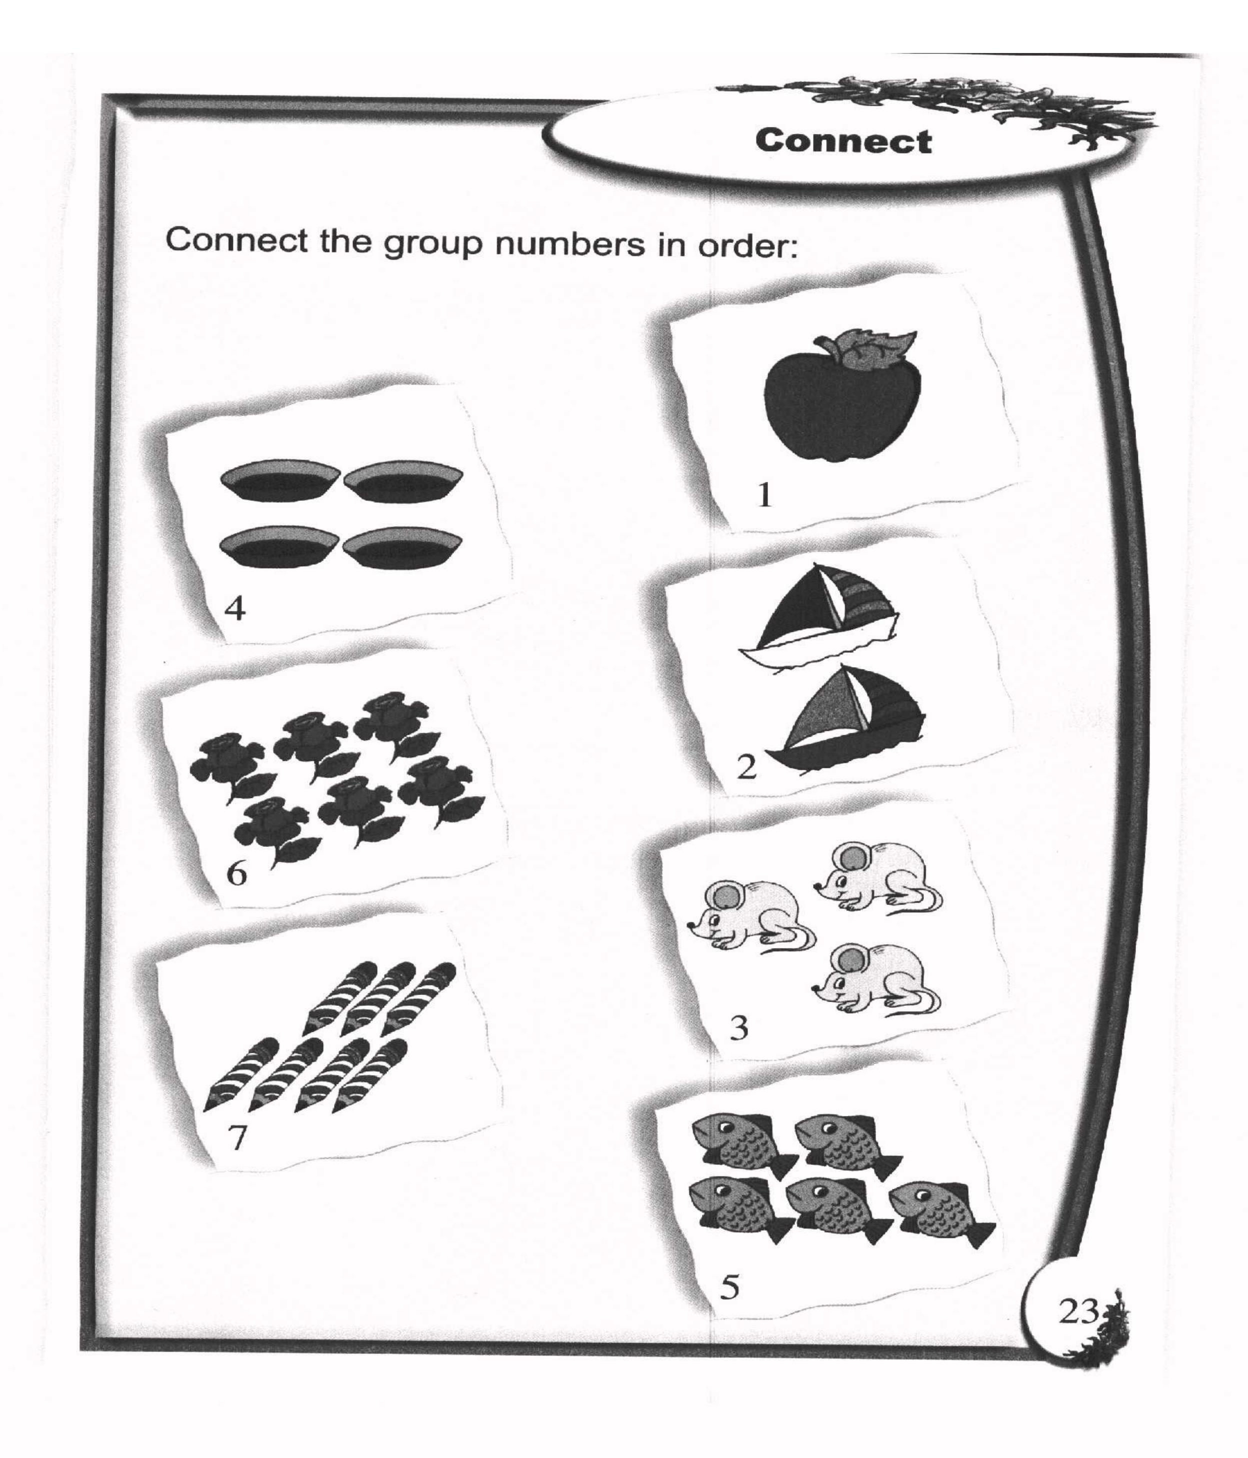

Write 7

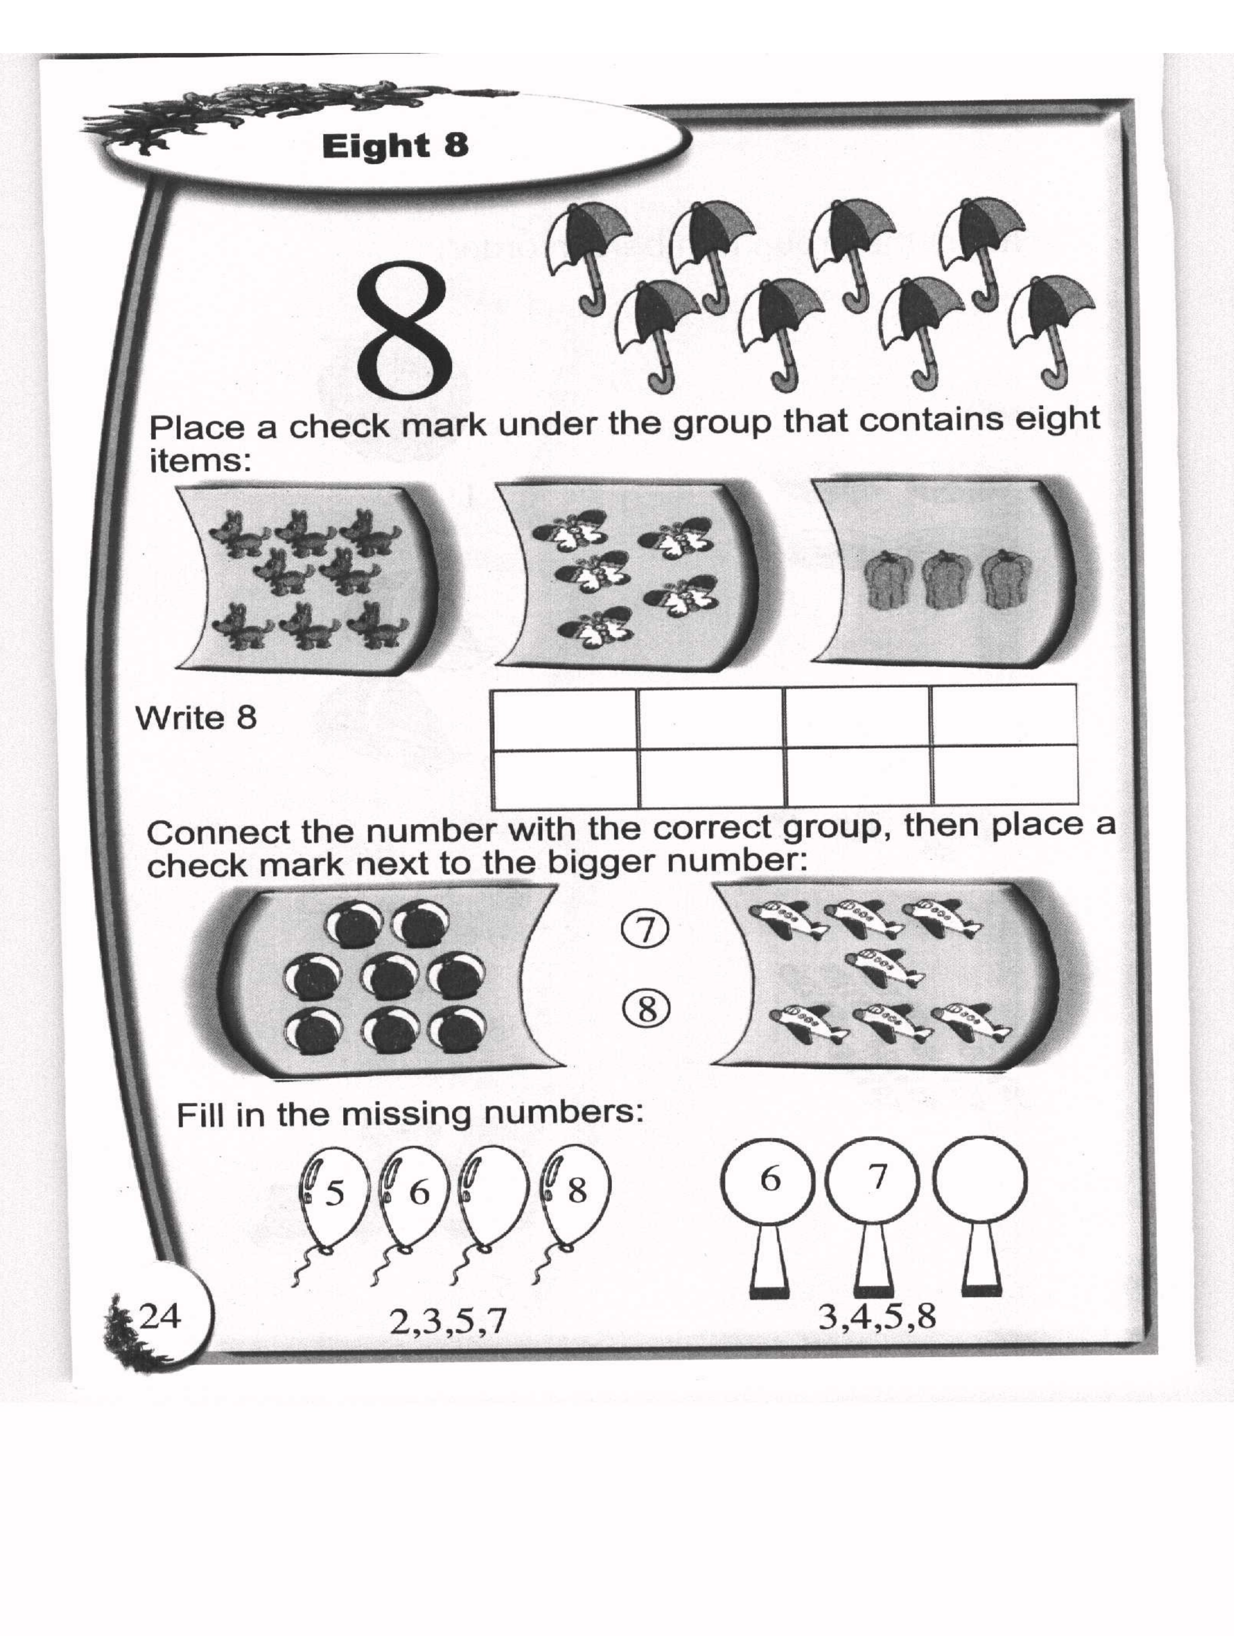

Connect the number with the correct group, then place a check mark next to the bigger number:

6

7

Color in the first, third, and seventh flower

Connect
Connect the group numbers in order:
4
1
6
2
7
3
5

Eight 8

8

Place a check mark under the group that contains eight items:

Write 8

Connect the number with the correct group, then place a check mark next to the bigger number:

⑦

⑧

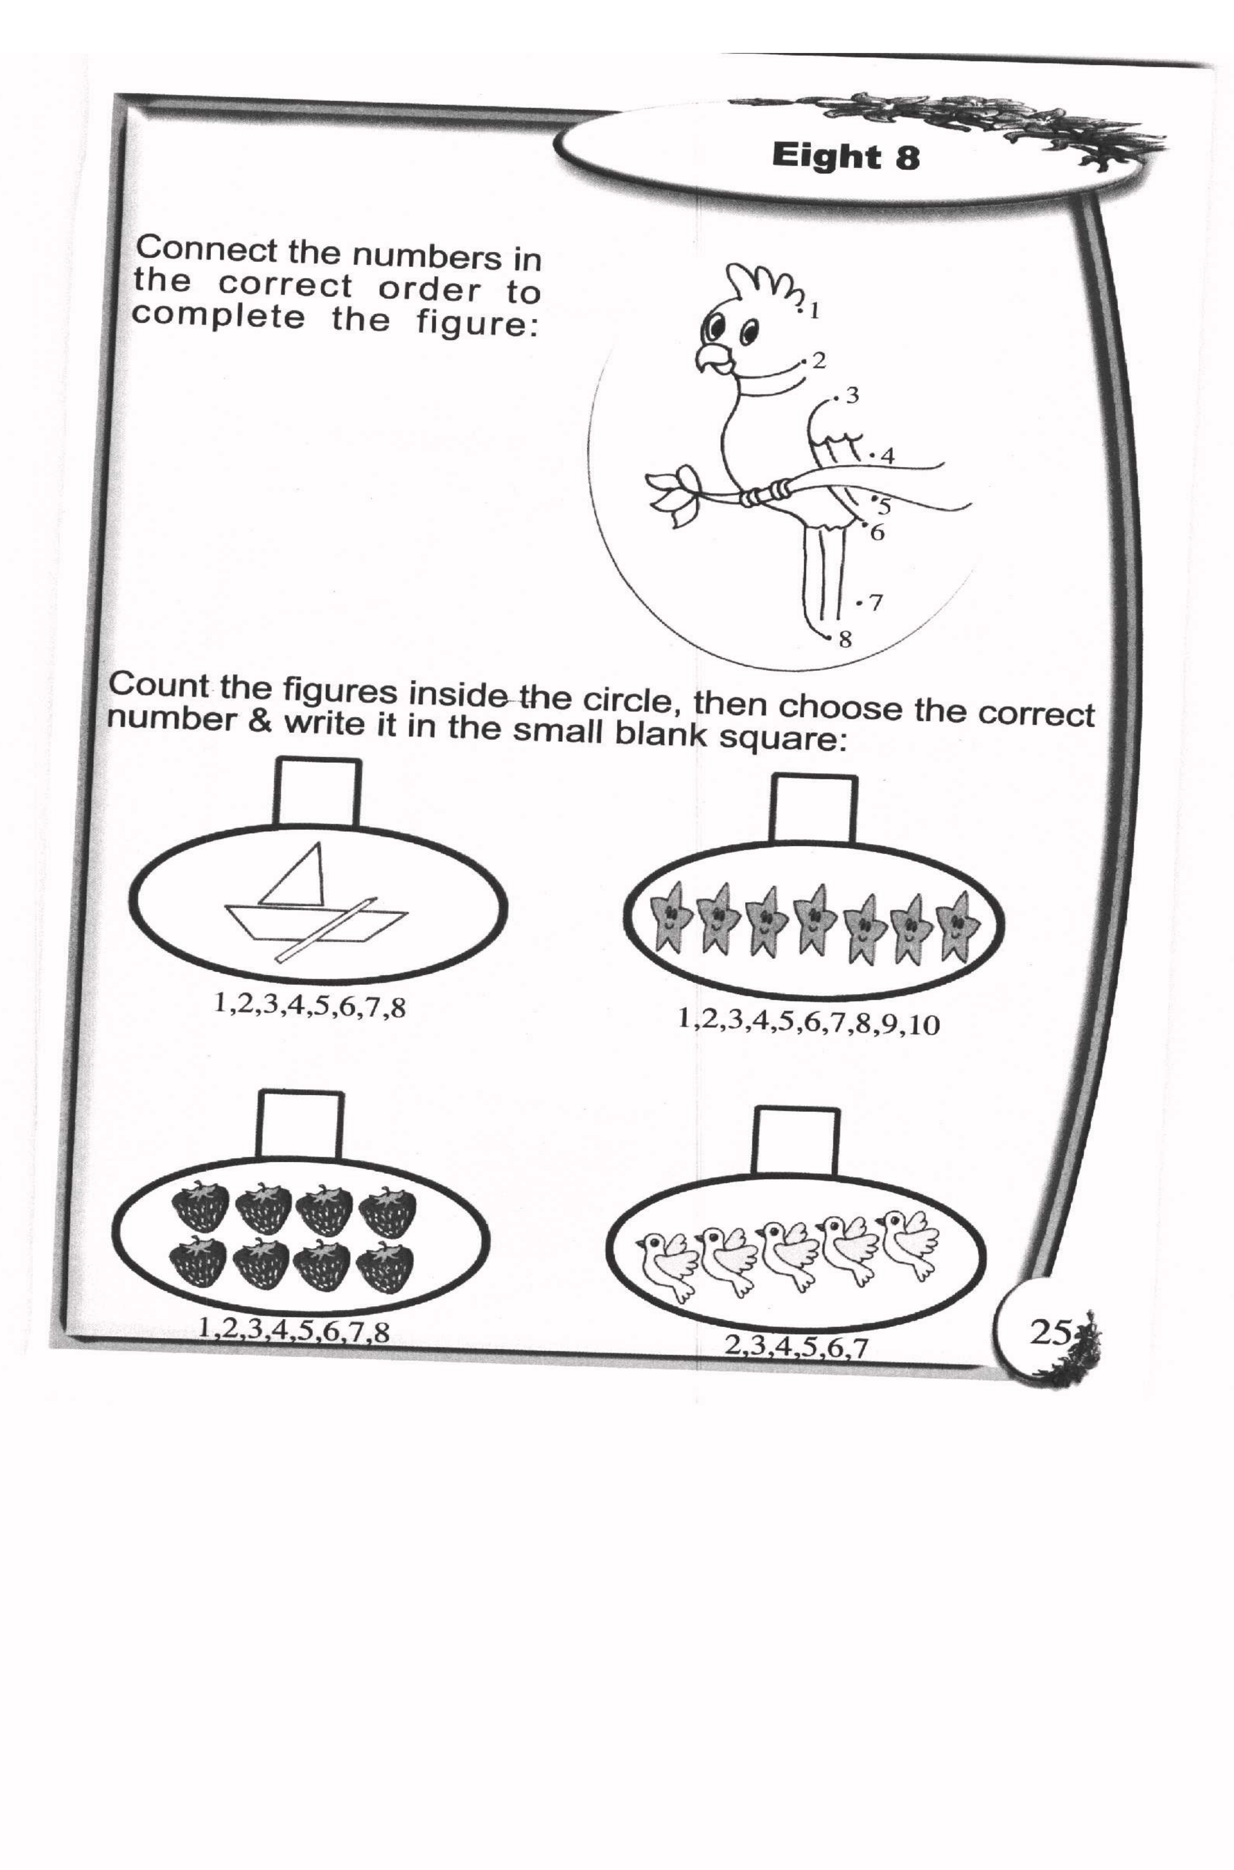

Fill in the missing numbers:

5 6 8

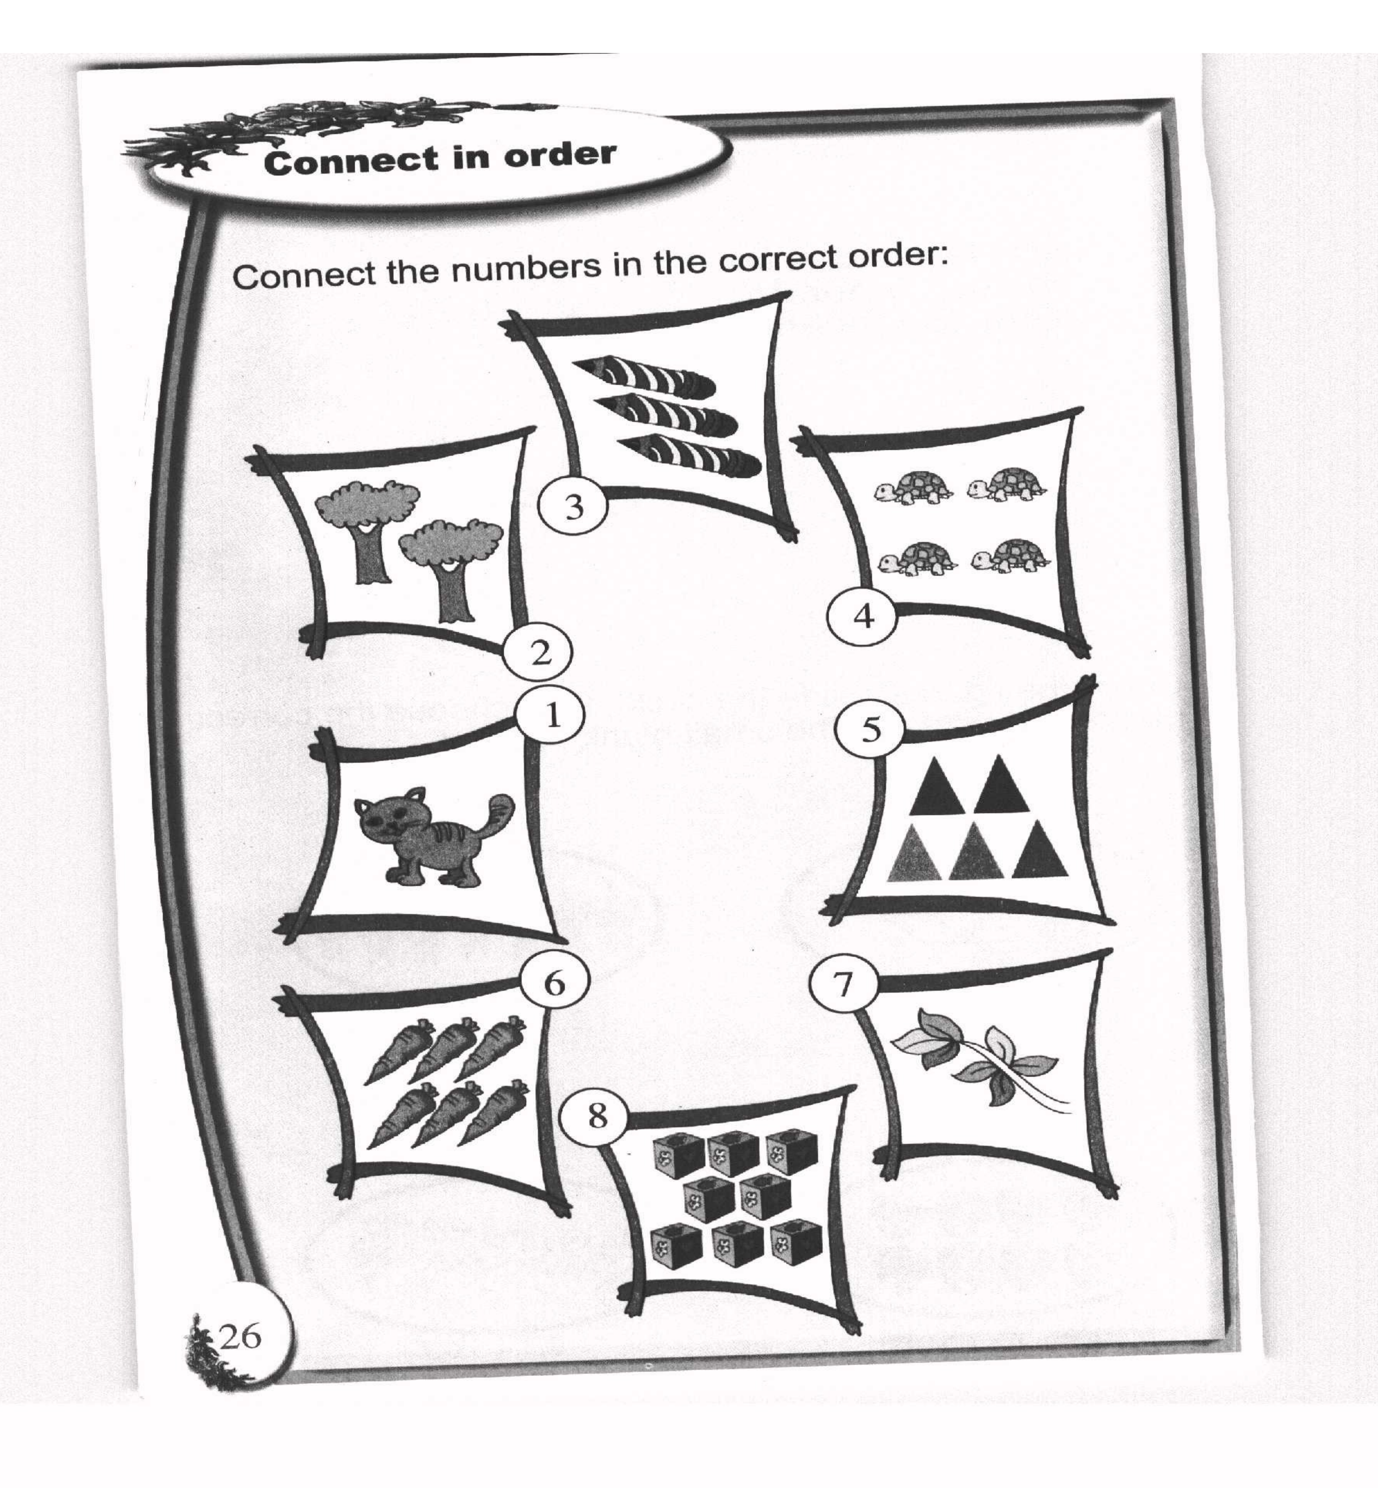

2,3,5,7

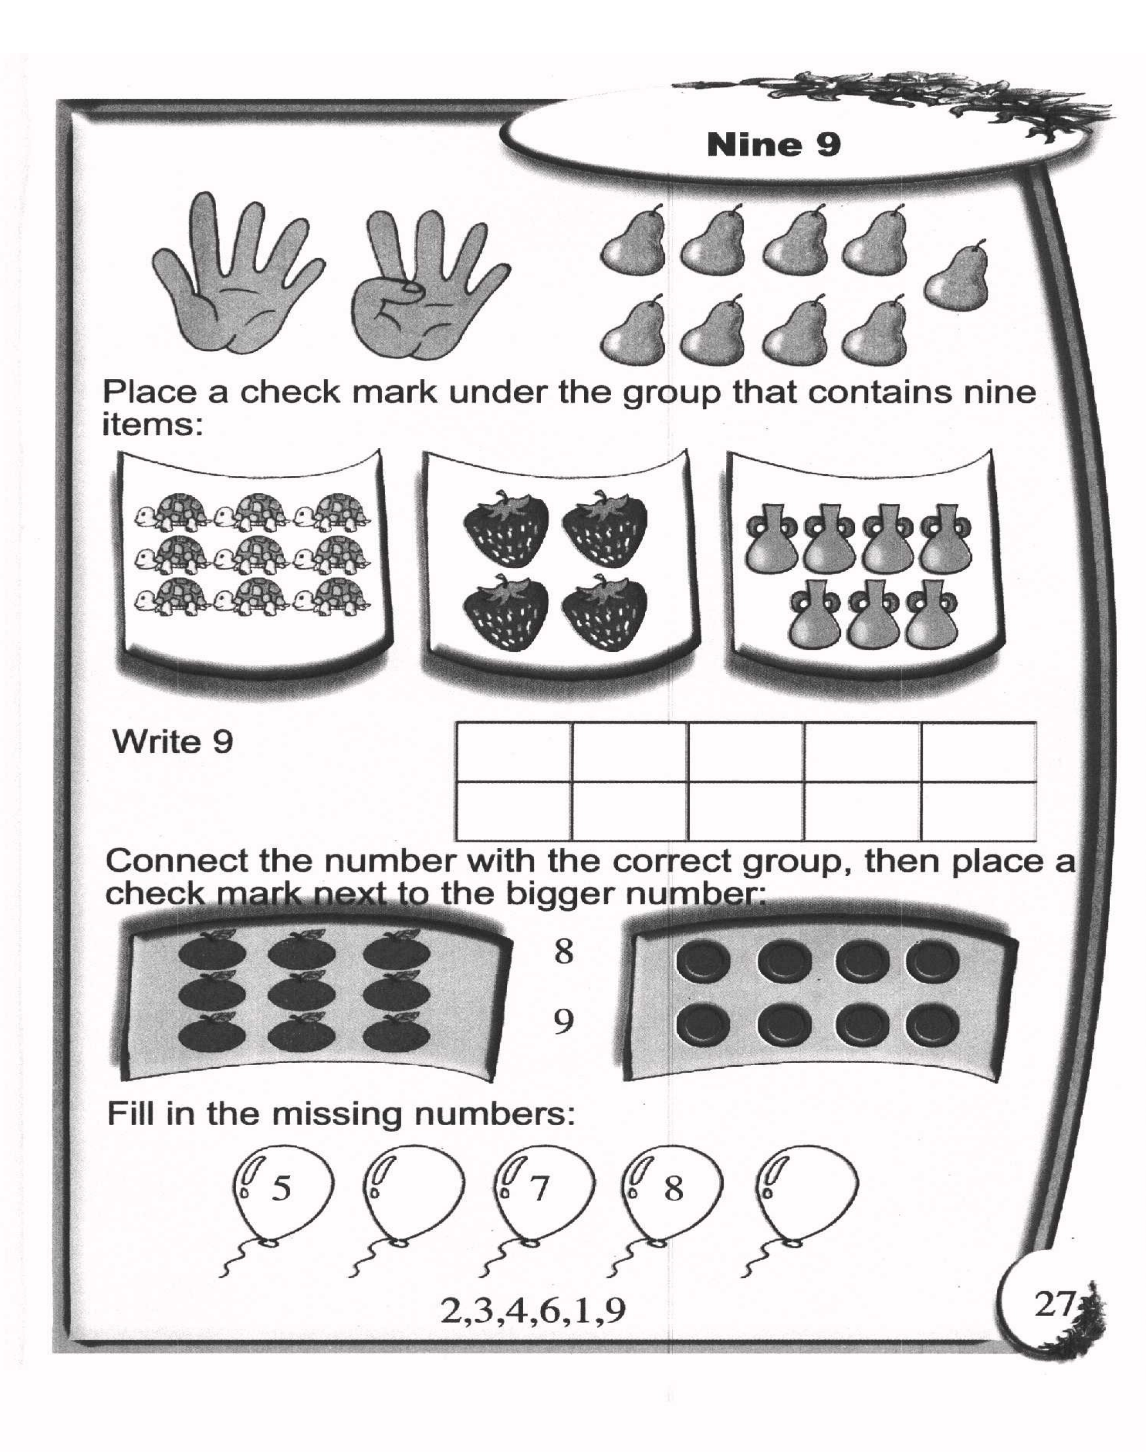

6 7

3,4,5,8

Eight 8
Connect the numbers in the correct order to complete the figure:
1
2
3
4
5
6
7
8
Count the figures inside the circle, then choose the correct number & write it in the small blank square:
1,2,3,4,5,6,7,8
1,2,3,4,5,6,7,8,9,10
1,2,3,4,5,6,7,8
2,3,4,5,6,7
25

Connect in order
Connect the numbers in the correct order:
3
2
4
1
5
6
7
8
26

Nine 9

Place a check mark under the group that contains nine items:

Write 9

Connect the number with the correct group, then place a check mark next to the bigger number:

8

9

Fill in the missing numbers:

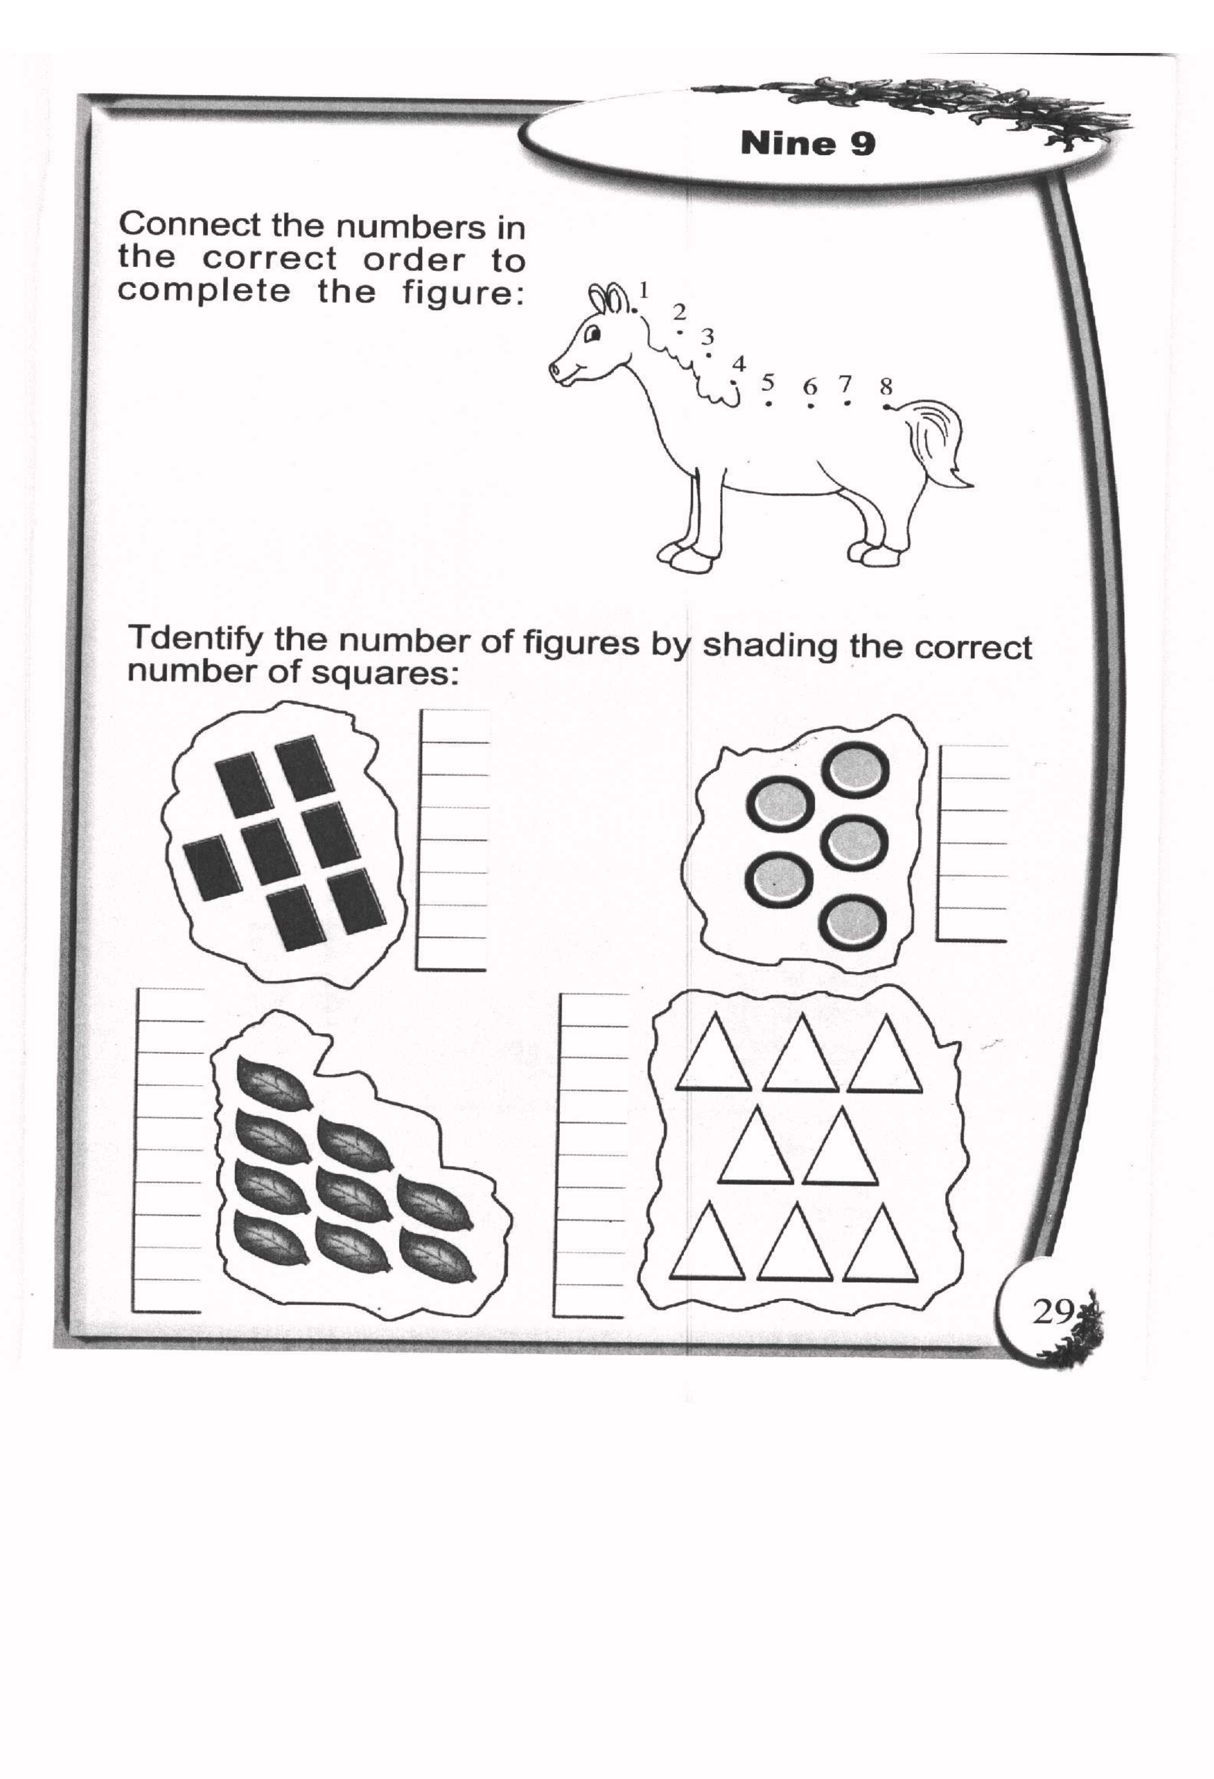

5 7 8

2,3,4,6,1,9

Let's Count

Find the first, fifth, eighth & ninth child by placing a check mark under each of them & writing the relevant number above them:

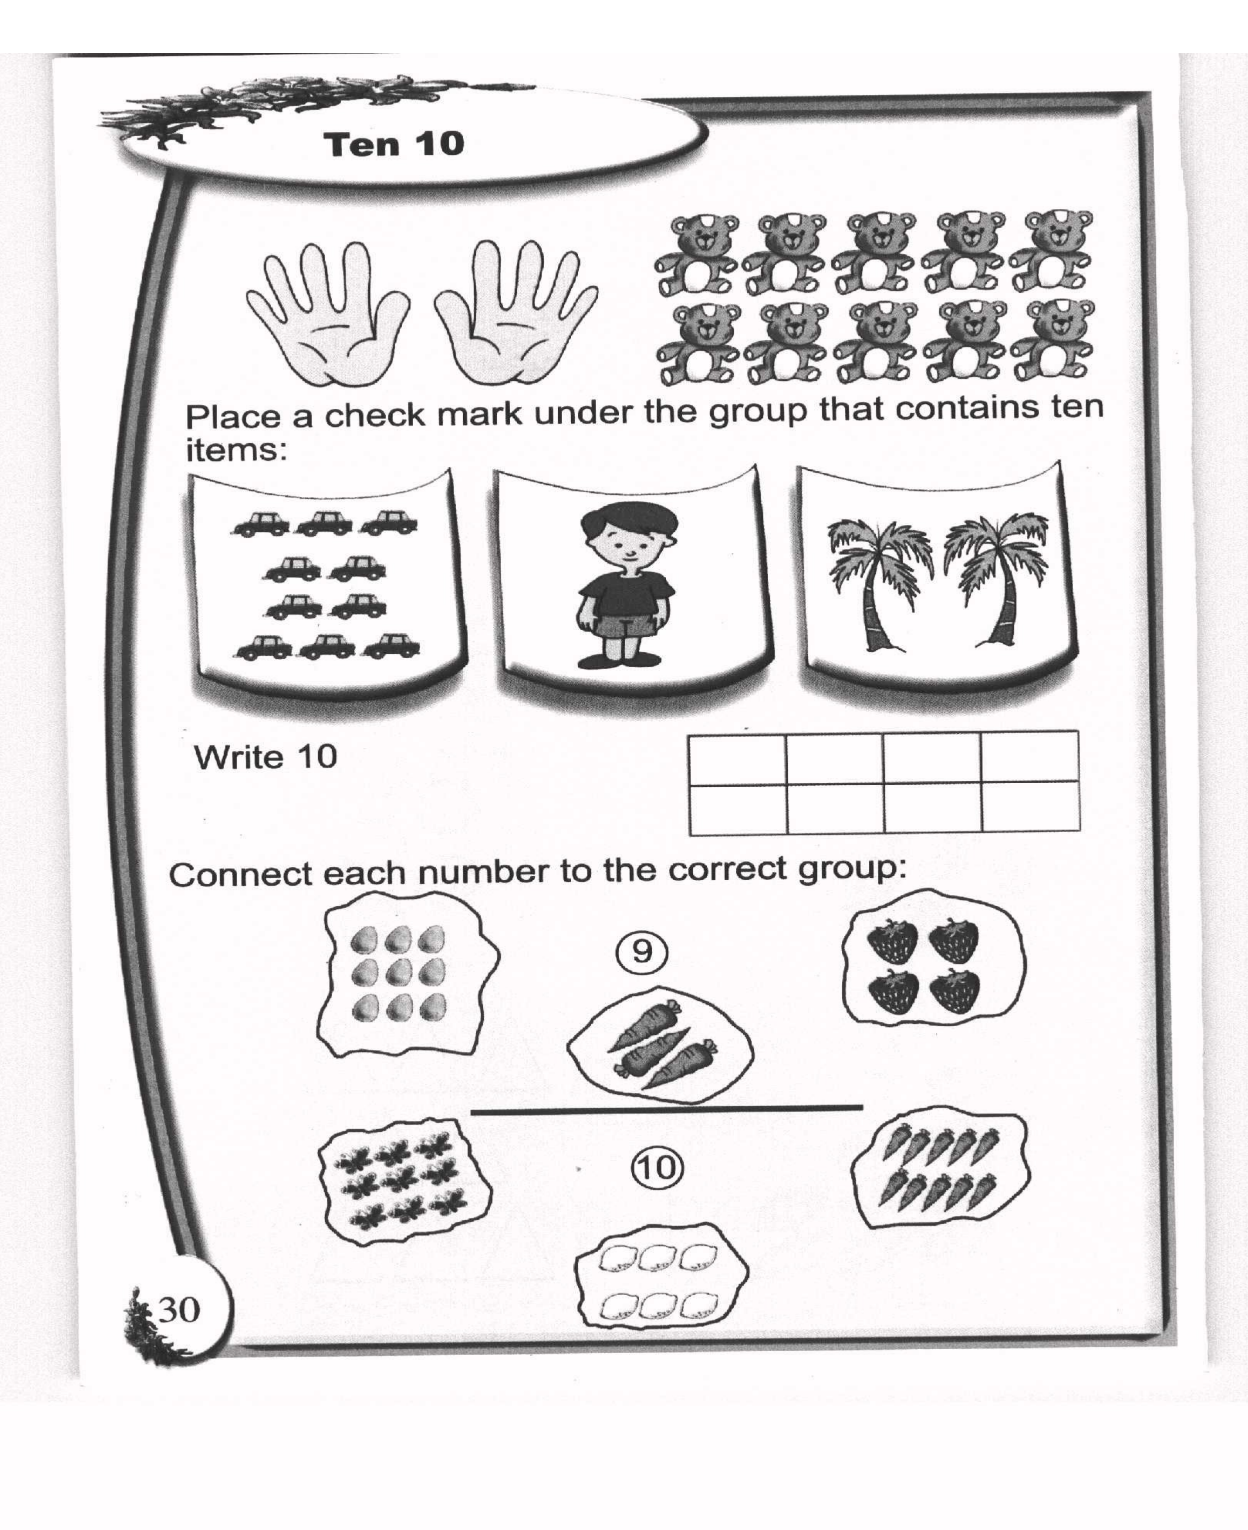

Nine 9

Connect the numbers in the correct order to complete the figure:

Tdentify the number of figures by shading the correct number of squares:

Ten 10

Place a check mark under the group that contains ten items:

Write 10

Connect each number to the correct group:

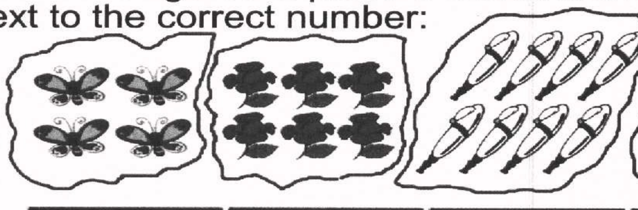

9

10

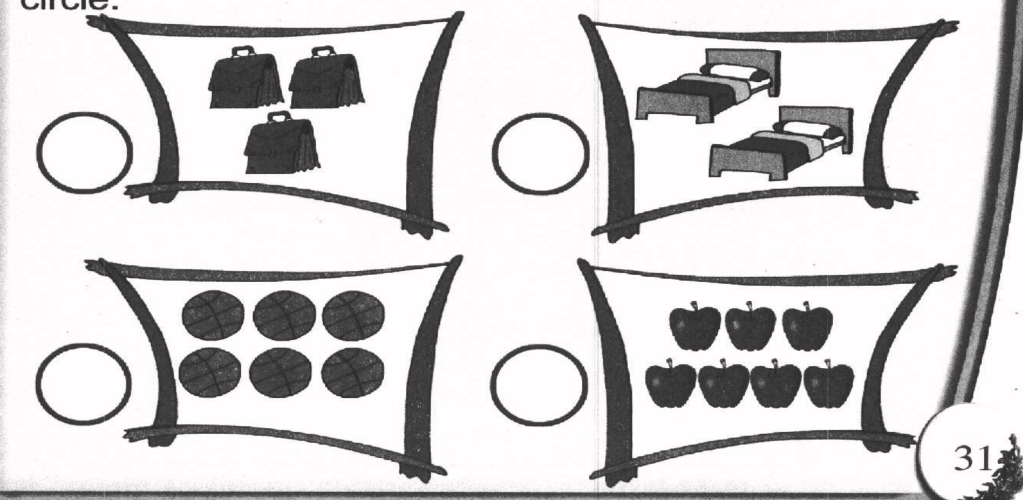

Let's Count

Count the figures & place a check mark next to the correct number:

Butterfly	Flower	Pen	Bird
3	2	3	5
4	3	5	6
5	4	7	7
6	6	8	8
7	7	9	9

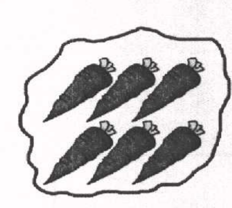

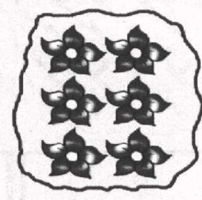

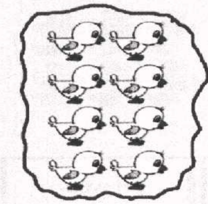

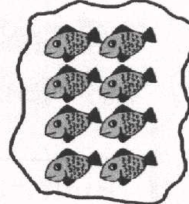

Count the figures & write their correct number inside the circle:

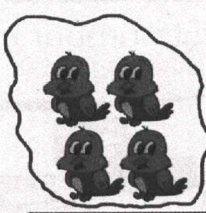

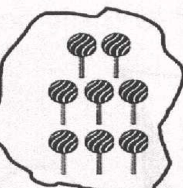

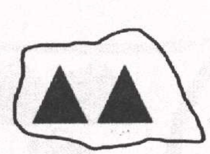

Let's Count

Count the figures & place a check mark next to the correct number above, & count the items & write the correct number below:

Carrot	Flower	Bird	Fish
6 7	4 6	7 8	6 8

Bird	Lollipop	Triangle
2 3 4 6 7 8	2 3 4 6 7 8	2 3 4 6 7 8
